Keeping Up with Lizzie Irving Bacheller,1911 *Keeping Up with Lizzie* Irving Bacheller,2016-03-26 A humorous tale about a town going broke trying to keep up with Lizzie the right style the right education and even the right way to speak

Keeping Up with Lizzie, by Irving Bacheller: Illustrated by W. H. D. Koerner Irving Bacheller, **Keeping Up with Lizzie - Irving Bacheller** Irving Bacheller,2010-02-12 The Honorable Socrates Potter was the only scientific man in the village of Pointview Connecticut In every point of manhood he was far ahead of his neighbors In a way he had outstripped himself for while his ideas were highly modern he clung to the dress and manners that prevailed in his youth He wore broadcloth every day and a choker and chewed tobacco and never permitted his work to interfere with the even tenor of his conversation He loved the old times and fashions and had a drawling tongue and often spoke in the dialect of his fathers loving the sound of it His satirical mood was sure to be flavored with clipped words and changed tenses The stranger often took him for a hayseed but on further acquaintance opened his mouth in astonishment for Soc Potter as many called him was a man of insight and learning and of a quality of wit herein revealed He used to call himself an attorney and peacemaker but he was more than that He was the attorney and friend of all his clients and the philosopher of his community If one man threatened another with the law in that neighborhood he was apt to do it in these terms We ll see what Soc Potter has to say about that *Keeping Up with Lizzie* Bacheller Irving,2016-06-20 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Lizzie's Tale** Graham Wilson,1901 Raped and reduced to working in a brothel to keep her baby unwed teenage mother Lizzie forges a new life for herself and her child in the Kimberley region of Australia But can she evade her persecutors and ultimately bring to them to justice This is a story of a girl from inner Sydney Her family is poor her father dies when she is nine life is hard But her courage rises above adversity It is story of her struggle to survive and make a life of her own first as a prostitute then with her child in a remote outback town This is the second book in the series Old Balmain House and begins in the same house as the first book and continues part of the story of Sophie the girl who vanished half a century ago Lizzie aged eight meets Sophie the girl who lived in the same bedroom as a child Sophie becomes her friend When Lizzie turns fifteen Sophie tries to warn her not to go in a car with three older boys Lizzie ignores her warning and is brutally raped by these three men Lizzie becomes pregnant and is determined to keep her child She leaves Sydney and goes to Melbourne to have and keep her baby Here penniless and desperate she become a prostitute the only way she can support herself She is discovered and the authorities try to take her child She flees to Broome a small town in the furthest corner of of Australia Here she assumes the role of widow with a small

child and settles into this friendly town Her life is good until a man from her former life finds her and threatens to expose her or harm her child She runs again On a remote desert road her car breaks down Without water with her six year old daughter beside her they face death from thirst Help comes in an unexpected way She takes refuge in a local aboriginal community Her school friend from Balmain now a journalist seeks retribution from the the men who raped Lizzie many years ago and have continued their ways with others Now as successful business men they seek to use the law to deny justice **Official**
