Keeping Busy James R. Dowling, 1995-05 Although very little can be done to alter the course of dementia much can be done to maximize the quality of life of people with the condition Research as well as practical experience suggest that behavior management especially through programs that provide meaningful and constructive activity is currently the most effective treatment In *Keeping Busy* James Dowling describes a variety of activities designed to

bring meaning and enjoyment to the lives of persons with dementia The activities are organized by general categories such as music exercise horticulture pets humor and social events The largest section deals with communication and includes word games that help people strengthen their remaining verbal skills The description of each activity includes step by step instructions as well as tips on how to adapt it for small or large groups for individuals at home or in an organization or people who are bedridden

Steps to Success in Watercolor Brenda Swenson,2007-06-01 A unique approach to painting in watercolor that won't be found anywhere else on the market It may seem impossible to be able to ensure the success of a watercolor painting before the paintbrush hits paper but the newest addition to our Artist's Library series proves that it can be done Accomplished watercolorist Brenda Swenson breaks down the process of planning a painting into eight individual steps which include choosing a format planning out values effectively using color developing a center of interest creating a visual path incorporating variety painting negative shapes and introducing light and shadow Then she combines the steps in one final painting to show how each step works together to produce a pleasing successful work of art With clear step by step instruction and helpful hints from the artist this book is unique because it focuses not only on the painting process itself but also on experimenting and strategizing which are essential to the painting process This book shows readers that when you plan ahead taking the time to study the essential elements that create a painting will make the finished product more satisfying and rewarding
