Keeping Silence Christian Practices For Entering Stillness:

Keeping Silence C.W. McPherson, 2002-10 Introduces the techniques and strategies of practicing silence as a spiritual discipline Covers a wide range of methods including sitting meditations such as psalm repetition and breath counting visual meditations mental prayer and kinetic meditations such as cloister walking and the stations of the cross *Shamanic Christianity* Bradford Keeney, 2006-03-13 A guide to reconnecting with Jesus Mary and the saints as shamanic teachers of divine mysteries Contains meditations contemplations parables and active ritual tasks that help bring forth a shamanic understanding and practice of Christianity Shows shamanic experience to be the root of mystical communion When the missionaries came to North America to save the American Indians they were perplexed to discover that while they talked about Jesus some of the Indians claimed to talk directly with him Among Christians there is almost complete silence on the subject of the place of shamanism in experiencing the divine yet shamanic experience is at the root of all mystical communion Shamanic Christianity offers a chance to rekindle the shamanic practices of Christianity to those who wish to restore their direct connection to the spirit world In the tradition of contemplative practice this reconnection takes the form of devotions Presented in four forms these devotions begin with a specific contemplation followed by a meditative focus then a parable from the author's own visionary experiences and finally an active mystical practice to help ground the meditations and contemplations in a ritual or ceremony that involves active participation These four forms serve to reintroduce Jesus Mary and the historically renowned saints as shamanic teachers of divine mysteries whose spiritual presence is readily available to contemporary lives The author also presents specific directives for handling everyday challenges in a shamanic inspired manner drawing upon creative activities and resources that encourage approaching the world with the imaginative and playful spirit of a child whose personal freedom and creative expression is always wide open to possibilities *Fully Awake and Truly Alive* Rev. Jane E. Vennard, 2013-02-01 Fulfill the reality that the glory of God is the human fully alive Reverend Vennard is fearlessly awake to the wild dance of life Rather than sleeping through life she awakens to it Rather than escaping from reality she embraces it Rather than distracting herself with a life to come she dares to live the life that is And she wants you to do all this as well Read this book Live this book Wake up from the Foreword In a culture enthralled with technology striving and speed people of many faith traditions and no faith tradition long to slow down pay attention and wake up to the present moment They want help in realizing their hope that they can become more truly alive This engaging and highly readable book offers you guidance for the journey Sharing stories from her personal life as a spiritual seeker and from her professional career as a retreat leader spiritual director and teacher Reverend Jane Vennard illustrates the joys and frustrations of spiritual practice offers insights from various religious traditions and provides step by step exercises and meditations to practice Caring for the body Rest Silence Solitude Letting go Community Hospitality Service Living gratefully
