Harvard Football Bernard M. Corbett,2002 The storied history of Harvard University football can be traced back to the very roots of the collegiate game in America Harvard s athletic contest with McGill University in 1874 marked the inception of the modern game for the Crimson The club from Cambridge then went on to become one of the dominant football programs of the late nineteenth and early twentieth centuries winning seven national championships between 1890 and 1919 culminating with its Rose Bowl victory over Oregon in January 1920 Since 1956 the team has been a perennial contender in the Ivy League Images of Sports Harvard Football captures all the drama and excitement of the pioneering football program s legacy Included are the exploits of Charlie Brickley in the 1910s and Barry Wood in the 1930s the school s first Ivy League title in 1961 and the 29 29 victory over Yale in the most famous of all one hundred eighteen riveting match ups The captivating images included in Harvard Football detail these accounts up to the Crimson s 2001 run to perfection a 9 0 0 record marking the first undefeated untied season in eighty eight years

The Hidden Web William O. Scheeren,2012-02-02 Google is certainly a useful Internet search tool for general topics but most of the information available on the Invisible Web can t be found through Google This book explains the value of the Invisible Web and how to access it Most students and researchers possess only rudimentary Internet searching skills The majority of school and public librarians are not aware of the breadth and depth of information available on the Hidden Web This is unfortunate as the ability to navigate the Hidden Web in schools and public libraries is essential to locating the most current and authoritative information The Hidden Web A Sourcebook serves as a valuable source of information about the Hidden Web much of which comprises websites containing statistical information or data from a wide variety of government agencies The concepts search techniques and specific websites presented will be helpful in information literacy instruction and the teaching of research skills
