adventure alone or interest in the strange new forest growths that had drawn Ken to the jungle His uncle the one who had gotten Ken letters from the Forestry Department at Washington had been proud of Ken s Arizona achievements This uncle was a member of the American Geographical Society and a fellow of the New York Museum of Natural History He wanted Ken to try his hand at field work in the jungle of Mexico and if that was successful then to explore the ruined cities of wild Yucatan If Ken made good as an explorer his reward was to be a trip to Equatorial Africa after big game And of course that trip meant opportunity to see England and France and what meant more to Ken a chance to see the great forests of Germany where forestry had been carried on for three hundred years
