Stephens,2006-03-12 This is a story of psychological terror brought on by the hands of my mother I am the second oldest of 16 children and the stories I am about to describe relays what it was like to live under the terror and reign of our mother The abuse started about 35 years ago in 1970 and who knew there would be 16 direct victims and many other people affected by her manipulations when all was said and done Hind sight is truly 20 20 and I think if things were handled differently with the 1987 felony child abuse charges in Waukesha County there wouldn t be this tale to tell today in 2005 There are two distinct time periods in this story the 17 years prior to 1987 and the 18 years after 1987 You will find parallels in both sections that I still can t believe today andI was part of the situation from the beginning and a catalyst for this coming to light What you will see is a very large break in the system but above all the master manipulation that would rival the greatest minds By manipulating her children the social workers the lawyers the prosecutors mom got off with nothing in 1987 when she was facing 18 counts of felony and misdemeanor child abuse charges 180 000 in fines and 30 years in prison Her ability to walk away from that without a scar only enabled her psychotic manipulating mind and that allowed mom to abuse again without fear for the next 18 years It is heartbreaking to live with the fact that these actions have been addressed in the past and she ended up inflicting the same thing on my brothers and sisters as soon as the Department of Social Services stepped out of the situation in the late 80 s **Catalog of Sears, Roebuck and Company** Sears, Roebuck and Company,1984 Annual Home, Hardware, Auto and Leisure Sears, Roebuck and Company,1989 **Annual Illustrated Catalog - The R.W.
