finding out this is the author's favorite book of the series I was so excited to read this and Aviva Vaughn did NOT disappoint This book gave me a new appreciation for California and seeing it through the eyes of someone who truly loves it is wonderful Every time Aviva Vaughn describes a new location I can picture it in such vivid detail She really has a way with words Bring on Part 4 Emily 5 star review I'm not even sure I'm even capable to begin to describe how much I enjoy this book and series Wow it's such a roller ride So much attention to details scenic scenes and characters I can picture it all in my head and hear their voices Phenomenal story plot with drama suspense intrigue oh and sooo much love We can't all forget that The characters are relatable and entertaining Such an amazing story once you read one you'll want to read the others ASAP Nicole 4 star review This series just gets better and better with each book Lisette 5 star review FROM THE AUTHOR Dearest Reader I wrote BECKONED for many reasons but first and foremost I wrote it to feature the kind of people I know diverse smart complicated men and women My heroines are strong and educated and my heroes are polite and respectful As an avid reader I wanted to see characters that looked like me and my friends and reflect the world I want to see I also wanted to write a beautiful book I consider BECKONED to be a modern story told in an old fashion way with lots of metaphors and beautiful phrases and where the sex is explicit but also elegant So if you are a Word Nerd like me then you will love BECKONED If you choose to embark on this journey with me you and your taste buds will get to visit London Barcelona Bath Los Angeles Honolulu Costa Rica New Zealand and Copenhagen It will be a fun and delicious ride There are even recipes in some of the books as well as soundtracks to give you a multi sensory experience BECKONED is a single story in six parts and should be read in order The intimacy is steamy but it is slooooooow burn and is distributed throughout the books because of how the couples relationships change and deepen Birthing BECKONED has truly been a labor of love and I hope you enjoy reading it as much as I enjoyed writing it BUCKLE UP and enjoy the journey Wishing you love and romance Aviva

Los Angeles Documentary and the Production of Public History, 1958-1977 Joshua Glick, 2018-01-19 Los Angeles Documentary and the Production of Public History 1958-1977 explores how documentarians working between the election of John F. Kennedy and the Bicentennial created conflicting visions of the recent and more distant American past. Drawing on a wide range of primary documents, Joshua Glick analyzes the films of Hollywood documentarians such as David Wolper and Mel Stuart along with lesser-known independents and activists such as Kent Mackenzie, Lynne Littman, and Jesús Salvador Treviño. While the former group reinvigorated a Cold War cultural liberalism, the latter group advocated for social justice in a city plagued by severe class stratification and racial segregation. Glick examines how mainstream and alternative filmmakers turned to the archives, civic institutions, and production facilities of Los Angeles in order to both change popular understandings of the city and shape the social consciousness of the nation. **Who's who on the Pacific Coast**, 1949
