Love And Decay Volume Five Love And Decay Season 2 Box Set 3:

Love & Decay Rachel Higginson, 2013-09-19 Zombies as if that wasn't enough to ruin any girl's dream of a happily ever after. A vaccination gone oh so wrong and a huge portion of the world's population was turned into Zombies. Reagan Willow is forced out of her home when her parents become casualties of the horrid Zombie Apocalypse. With the help of her best friend Haley they've become somewhat of experts on surviving the dangers of a world thrust into chaos and decay. Reagan and Haley are on a vague mission to find somewhere safe to live out the remainders of their terrifying life when they stumble upon the Parkers, a pack of brothers that seem to have the survival thing down in a much more efficient and successful way than Reagan could ever have imagined. They are also protecting their eight-year-old sister Page and will do anything to keep her safe. The brothers decide that Reagan and Haley need help with being kept safe as well, and as a group they set off to find the Zombie-free utopia Reagan is dreaming of. Zombies are a daily problem constantly threatening the lives of their group, but they're not the only peril on the journey ahead. Militia groups of power-hungry men are also a constant concern. And settlements of paranoid suspicious people turn out to be just as hazardous. Danger looms over every inch of the way, but Reagan, Haley, and the Parkers are determined to get to their goal and remain together. Soon the Parkers become more to Reagan than just traveling companions, and more than friendship starts to develop between her and Hendrix, the second oldest brother. But at the end of the world, nothing can be as simple as life and death. Now Reagan is going to have to schedule falling in love between hunting and surviving. Hopefully she can last long enough to find out if true love can still exist when everything else has started to fall apart. *Love and Decay Volume One* is a compilation of the first six episodes in a twelve-episode season. It is a Dystopian Romance Novella Series about Zombies, the end of the world, and finding someone to share it with. This story takes place over multiple episodes with a release date every two weeks. Each episode is approximately 20,000 words.

The Rush Rachel Higginson, 2012-11-27 A life not her own. A future already decided. Every facet of Ivy Pierce's life is meticulously planned out and plotted. Cynical and jaded by sixteen, Ivy's only hope is to escape the legacy she was born into. She has a plan, a carefully thought-out, feasible plan. She just has to play by the rules until everything falls into place. Unfortunately, as predictable as her life can be, she never sees Ryder Sutton coming. He tumbles into her life, unimpressed and untouched by her and the life she lives. He's an enigma to her, a gorgeous, frustrating, sincere mystery and a complete phenomenon in the ugly world she lives in. What blooms between them is a fiercely intense attraction that cannot be ignored. Even though they would both be better off without each other, even if both their lives depend on staying apart.
