Loving The Church Scriptural Meditations For The Papal Household:

Loving the Church Raniero Cantalamessa, 2005 In these reflections on the Letter to the Ephesians Fr Cantalamessa preacher to the papal household asks a critical question How can we read And Christ loved the Church Eph 5 25 without asking the question And I Do I love the Church The twentieth century was a time of theological ferment focusing attention on the nature of the Church But the author wonders Was there a proportionate growth in love for the Church Do we love the Church Do we understand its nature Do we weep over its sins or merely criticize Are we building up or tearing down Fr Cantalamessa explores the Church as building body bride and mother and also examines the family the domestic church in this inspirational meditation on the meaning of Church for each of us [The Politics of Conjugal Love](#) Conor Sweeney, Brian T. Trainor, 2019-06-27 Does the New Testament teach that a wife must submit to her husband as head If so does it have a lasting value beyond the cultural milieu in which it was first articulated The Politics of Conjugal Love takes a fresh approach to this classic issue in theological anthropology paying specific attention to the role of theological hermeneutics in its interpretation Conor Sweeney and Brian T Trainor contend that both subordinationist and anti subordinationist readings of headship and submission miss the mark Their alternative is a baptismally specified trinitarian reading in which headship and submission appear as modes intrinsic to both life in Christ and the love proper to the highest mode of trinitarian love

Loving the Church Christoph Schoenborn, 2013-11-01 In this series of retreat meditations preached to Pope John Paul II and the papal household during a Lenten retreat Cardinal Christoph Sch nborn uses the Catechism of the Catholic Church of which he was the general editor and Sacred Scripture to lead us to a deeper union with Christ by helping us to understand and love the Church His bride To love the Church which the Catechism calls a living communion with Jesus Christ we must see her with the eyes of Jesus who loved the Church and gave Himself up for her As he draws us into a deeper understanding of the Church who she is and where the deepest wellsprings of her being lie are the theme of his meditations He also illustrates many points by using the thoughts of the new doctor of the Church St Th r se of Lisieux She found her vocation to be love in the heart of the Church and can offer us a renewed and vital vision of the Church It is an awesome task to preach a retreat in the presence of the Pope Cardinal Sch nborn does it successfully by presenting the methods of St Ignatius Loyola s famous retreat in a fresh way using the new Catechism the Bible and St Th r se of Lisieux Fr Ken Baker S J Editor Homiletic and Pastoral Review Cardinal Christoph Sch nborn is the Archbishop of Vienna Austria He was the general editor of the Catechism of the Catholic Church and is the author of God s Human Face and Living the Catechism of the Catholic Church

Eucharistic Church, Eucharistic Formation Owen F. Cummings, Mark Nussberger, 2023-02-28 Theological colleges preparing ministerial candidates for ordination are constantly engaged in revising their curricula In the American Catholic Church at this time in 2022 this process is guided by the US bishops document the Program of Priestly Formation Mount Angel Seminary believes that its theological curriculum centered on the Eucharist and known as communion ecclesiology

offers an integrated approach to priestly formation in all four dimensions of that document academic personal spiritual and pastoral The various essays in this book both illustrate how this is done and offer an example to other institutions involved in priestly formation A Poor and Merciful Church Ilo, Stan Chu,2018 This important text addresses three key questions which face modern Catholicism especially in Africa What is the ecclesiology of Pope Francis How does this ecclesiology meet the challenges facing the universal church in today s complex world And how can one translate the practices of this new approach into a theological aesthetics to meet the challenges and opportunities of the African social context *Ephesians (Catholic Commentary on Sacred Scripture)* Peter S. Williamson,2009-12-01 In this third volume of the Catholic Commentary on Sacred Scripture CCSS Peter Williamson interprets Ephesians for pastoral ministers and lay readers alike This volume like each in the series relates Scripture to life is faithfully Catholic and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching preaching evangelization and other forms of ministry American Book Publishing Record ,2005 *The Catholic World Report* ,2000 First Things ,1998

ethical theological spiritual and sociological case for Paul VI's controversial document remains strong indeed how it is in some ways even stronger today following Pope John Paul II's Theology of the Body and in light of the problems caused by the sexual revolution In addition to essays by Dr Smith herself the book features contributions by other renowned experts and scholars such as Mary Eberstadt author of the best selling Adam and Eve after the Pill George Weigel Therese Scarpelli Corey Michael Waldstein Christopher West Obianuju Ekeocha author of the best selling Target Africa Maria Fedoryka Deborah Savage Derek Doroski Angela LaFranchi William Newton Joseph Atkinson Michele M Schumacher and Peter Colosi Why Humanae Vitae Is Still Right includes the Krakow Document composed under the supervision of Cardinal Karol Wojtyla later Pope John Paul II which provided research by moral theologians and other experts that helped to shape Humanae vitae to be a more personalistic document

Modern Catholic Family Teaching Jacob M. Kohlhaas, Mary M. Doyle Roche, 2024 This volume features academic commentary on the key magisterial texts that constitute the sources of contemporary Catholic teaching on the family Although Catholic Family Teaching CFT emerged and has developed in parallel with Catholic Social Teaching CST its documentary heritage has neither been explored in a parallel fashion nor to a similar academic depth This volume redresses this imbalance by collecting outstanding commentaries and interpretations of the primary texts and key theological and historical developments in a first of its kind critical engagement with the documentary tradition of CFT Each chapter engages a moment in this tradition of teaching in order to invite critical academic engagement with CFT a topic that increasingly bears weight across diverse areas of theological and ethical consideration By offering a clear understanding of the tradition's growth in the previous 130 years the volume equips scholars and students of theology to engage the pressing questions of our time
