Summary of Eva A. Mendes' Marriage and Lasting Relationships with Asperger's Syndrome (Autism Spectrum Disorder) Everest Media,2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 When a neurodiverse marriage fails it can be several years before either partner realizes that ASD is at play The NS partner may begin looking for additional explanations for her husband s behavior and may begin to wonder why her partner doesn t love her 2 Adults with ASD are often successful at work and may go their entire lives without feeling the need to seek a diagnosis Many psychiatrists provide medication during a 20 minute appointment but not counseling 3 The prevalence of ASD is on the rise It is mainly genetic but environmental causes cannot be completely ruled out Neurodiversity is the idea that neurological differences like autism and ADHD are the result of normal natural variation in the human genome 4 The autism spectrum is a neurological difference rather than a mental disorder It is not a disease that needs to be cured It is characterized by a set of traits or a behavioral profile with certain core features

Our Socially Awkward Marriage: Stories from an Asperger's Relationship Tom Peters,Linda Peters,2016-09-20 Through a series of warm and uplifting stories Tom and Linda Peters take you into the heart of their socially awkward marriage Tom had long suspected that there was something wrong with him but despite his best efforts he

could never figure out what it was With the help of Linda a writer and investigator who he would later marry Tom went looking for answers that would explain his quirky way of seeing the world At the age of 47 he was diagnosed with Asperger s Syndrome a high functioning form of autism Raw and personal this book of essays was first inspired by Tom s challenges with Asperger s Syndrome but the humorous bite sized stories apply to any kind of interpersonal communication The simple solutions that Tom and Linda have discovered while dressing up a phrenology head or removing a wild opossum from the master bath have the surprising power to help us learn how to feel more respected heard and understood in all of our relationships

Introduction Remember that weird kid in the back of the classroom who just couldn t stop talking about astronomy and would bring up the discovery of Pluto during lessons about the American Civil War That was me My name is Tom Peters I m a composer and GRAMMY R nominated classical musician now and I ve played music all over the world I have a wife named Linda a college aged son from my first marriage and eight different types of stringed instruments at home including six ukuleles In 2011 at the tender age of 47 I was diagnosed with Asperger s Syndrome At that time Asperger s Syndrome was considered a mild form of autism characterized by an inability to understand how to interact socially Those of us with Asperger s or Aspies as a term of endearment tend to have few facial expressions and are apt to stare blankly at other people It s nothing personal we really can t help it Aspies are often accused of being in their own world and preoccupied with their own thoughts We are usually clumsy with uncoordinated movements are socially awkward have repetitive routines or rituals and odd speech and language Which didn t exactly make me a chick magnet Regardless of an Aspie s age or place in life relationships are often a challenge Being unable to understand nonverbal communication or how you relate to the people around you can cause Aspies to blurt out inappropriate remarks and say just plain odd things usually at exactly the wrong time But it s not all bad news The unusual focus and intensity that goes along with this disorder has helped me to hone my skills as a professional double bass player and later as a composer of silent film scores On a personal level I am honest dependable and straightforward I love deeply and always try to do my best I don t play mind games I don t know how And now as a middle aged adult I m in a happy healthy relationship My wife Linda is a writer who used to work with adults with mental emotional and developmental disabilities It was Linda s idea for me to share some anecdotes about what it felt like to be on the high functioning end of the autism spectrum She thought it might help someone to hear me articulate the feelings involved in some of the unique challenges I face Around the same time we also started writing articles together about how we were making communication work so well in our Asperger s relationship This book is a collection of some of those articles and blog posts about our lives Most of the stories are about being on the spectrum or about living with someone who is on the spectrum Almost all the stories take place in the context of our Asperger s relationship and subsequent marriage We hope that you enjoy reading them
