Jan & Dean Record Mark A. Moore, 2016-03-14 Jan Dean were among the most successful artists of the late 1950s through the mid 1960s with hits including Baby Talk Surf City Dead Man s Curve and The Little Old Lady From Pasadena Slapstick humor and offbeat personas were a big part of their shtick but Jan Berry was serious when it came to the studio This book chronicles Jan s career as a songwriter and arranger and his tenure as producer for Jan Dean and other acts with day by day entries detailing recording sessions single and album releases concerts and appearances film and television projects behind the scenes business and legal matters chart positions and more Extensive commentary from Berry s family friends and colleagues is included Studio invoices contract details tape box notes copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s **Alumna Record, De Pauw University** , 1915

The Descendants of John Grant and Mary Sabeen George Allen Grant M.A., 2023-12-11 In Nova Scotia the focus of study about Scottish settlers including the Grants has been on the eastern counties of the province and on Cape Breton Island In the United States when Grants are mentioned a significant concern seems to be to find a genealogical or DNA link to Ulysses Grant No one has seriously examined and written about the Grant families of southwestern Nova Scotia That leaves a space for me to act in and to develop a narrative history of a family founded in the soil strengthened by the forest and challenged by the sea environments that comprise the fundamental essence of Nova Scotia And so my passion has been to tell the story of my family and their relatives in southwestern Nova Scotia and to follow the paths of many of them to New England especially to Massachusetts This study will fulfill an implicit task left to me by my Aunt Ruth Dexter That is the essence of why I have spent so much of my retirement on this task But there is more to come as I follow suggestive clues left by my ancestors or seek to overcome brick walls that stump every genealogist from time to time When I began this project my aim was simply To collate and present a family history of the line descending from John Grant and Mary Sabeen to myself If I had stayed within that framework this book would have been much shorter and less interesting As it turns out there are many fascinating aspects to our story Not only will you read about the hard working and courageous children of John and Mary but you will follow them and their offspring as they find love and marriage sometimes with close or distant cousins You will ride or sail with them as they migrate within Nova Scotia and outward to New England You will wonder at their expressions of faith and sense their hidden internal conflict as they make religious choices based on factors we can only

imagine spirituality simplicity availability or energetic missionaries reflected in obituaries burial sites or their answers to census questions You will share their sorrow at the deaths of loved ones through accident disease suicide loss at sea or in the service of their country in war particularly in World War I You will learn of their varied occupations trades and professions from farming fishing and forestry to shoemaking carpentry and sailing nursing and teaching You will join them as they strive to become master mariners volunteer in their churches train young women with the YWCA in China or succor the sick and wounded with the Red Cross in Siberia follow them south to Boston and the Caribbean east to Europe and across the Pacific to Asia Only then you will come to understand why at its core my passion has been to be the voice of my direct ancestors and extended family within a defined framework of time and place to record their activities where sources allow in essence to be the story they could not write

American Jesuits and the World John T. McGreevy, 2018-11-13 How American Jesuits helped forge modern Catholicism around the world At the start of the nineteenth century the Jesuits seemed fated for oblivion Dissolved as a religious order in 1773 by one pope they were restored in 1814 by another but with only six hundred aged members Yet a century later the Jesuits numbered seventeen thousand men and were at the vanguard of the Catholic Church's expansion around the world This book traces this nineteenth century resurgence showing how Jesuits nurtured a Catholic modernity through a disciplined counterculture of parishes schools and associations Drawing on archival materials from three continents **American Jesuits and the World** tracks Jesuits who left Europe for America and Jesuits who left the United States for missionary ventures across the Pacific Each chapter tells the story of a revealing or controversial event including the tarring and feathering of an exiled Swiss Jesuit in Maine the efforts of French Jesuits in Louisiana to obtain Vatican approval of a miraculous healing and the educational efforts of American Jesuits in Manila These stories reveal how the Jesuits not only revived their own order but made modern Catholicism more global The result is a major contribution to modern global history and an invaluable examination of the meaning of religious liberty in a pluralistic age

Social Deviance Tim Delaney, 2017-06-16 The topic of social deviance is inherently intriguing People in general and college students in particular find the topic of deviant behavior fascinating This can be explained at least in part by a combination of the subject matter itself our own past deviant behaviors and our willingness and desire to evaluate and comment on the behaviors of others While the topic of deviant behavior seems straightforward at the surface the study of social deviance reveals how complicated it really is Although **Social Deviance** utilizes a textbook style approach in its coverage of deviant behavior this comprehensive straightforward and student friendly book maintains student interest because of the author's use of real life phenomena and current examples Each chapter includes chapter objectives an introductory story a glossary of key terms

discussion questions and boxed material The boxed materials include A Closer Look box that zooms in on topics that warrant deeper explanation and a Connecting Social Deviance and Popular Culture box that shows how contemporary forms of popular culture illustrate deviant behavior **The Gove Book** William Henry Gove,1922 **Proceedings of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge** American Philosophical Society,1889 **Specifications and Drawings of Patents Issued from the United States Patent Office** United States. Patent Office,1902 The Great Mindshift Maja Göpel,2016-09-12 This book describes the path ahead It combines system transformation researchwith political economy and change leadership insights when discussing the needfor a great mindshift in how human wellbeing economic prosperity and healthyecosystems are understood if the Great Transformations ahead are to lead to moresustainability It shows that history is made by purposefully acting humans andintroduces transformative literacy as a key skill in leading the radical incremental change *Annual Report* Massachusetts.
