To the left of the silhouette is a stylized street lamp. To the right, in the background, is a smaller silhouette of a man in a top hat. The ground is depicted with a pattern of light and dark blue circles, suggesting cobblestones.

Conan Doyle, 2020-06-14 This fairly slight volume contains eight fascinating Holmes stories each of them a fairly decent length utterly perfect to curl up with on a chilly December evening I adore the character of Holmes it matches exactly the mood that Doyle creates so perfectly in each story The tension and fear that lies beneath a rarefied Englishness the dense fogs that swirl outside the windows of Baker Street while a great mind is figuring out the unfathomable In my personal favourite *The Adventure of the Devil's Foot* Holmes and Watson find themselves in a tiny Cornish village where a woman has been apparently terrified to death and two of her brothers left raving mad In the final title story a tale not narrated by Watson the two old friends are

brought back together some time after Holmes retirement it is August 1914 Although rather different in tone to the preceding stories it is a nice quiet finale **His Last Bow: Reminiscences of Sherlock Holmes** Arthur Conan Doyle,2013-12-10 Sir Arthur Conan Doyle was a Scottish writer best known for the legendary Sherlock Holmes stories which are still considered the gold standard in crime fiction Doyle s His Last Bow Reminiscences of Sherlock Holmes is a collection of 7 short stories *His Last Bow* Arthur Conan Doyle,2017-08-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
