Sullivan, 2017-11-08 The Historical Dictionary of the Chinese Economy covers the world's second largest macro economy Extensive attention throughout the volume is given to the historical development of the Chinese economy since the establishment of the People's Republic of China PRC in 1949 Included is a review of developments during the period of central economic planning adopted from the Soviet Union 1953 1978 and in depth information and analysis on the various policies and fundamental changes brought about in China by the inauguration of economic reforms from 1978 1979 through 2016 This book contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on critical sectors of the economy including automobiles banking and finance national currency economic regulation trade and investment and important industries such as agriculture computers and electronics iron and steel real estate and shipping This book is an excellent resource for students researchers and anyone wanting to know more about China's economy **Historical Dictionary of the Financial System in China** Lawrence R. Sullivan, Nancy Liu-Sullivan, 2024-10-21 Major themes in the history of finance in China reflect the persistent tension between a powerful state guiding the economy versus vibrant market forces operating according to basic commercial principles Included is the continuity and discontinuity of financial developments in imperial and modern history creation of a modern banking system beginning in the late nineteenth century and emergence of complex and sophisticated financial institutions and products since the introduction of economic reforms in the People's Republic of China in 1978 1979 The Historical Dictionary of the Financial System in China contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important financiers entrepreneurs and government officials involved in finance large state owned banks SOBs state owned enterprises SOEs hedge funds exchange traded funds and asset management companies This book is an excellent resource for students researchers and anyone wanting to know more about the Chinese financial system **Historical Dictionary of the Sudan** Robert S. Kramer, Richard A. Lobban Jr., Carolyn Fluehr-Lobban, 2013-03-22 The Republic of the Sudan was long the largest country in Africa and according to the general consensus also one of the least successful in many ways This was not entirely its fault since it lay along the fault line between Muslim and Christian Africa and between the Nile Valley civilizations and African Sudanic cultures This partly explains the long and bloody warfare waged by the Southerners to achieve independence

which they did in July 2011 So this hefty book actually covers not one but two states This fourth edition of the Historical Dictionary of the Sudan does so first through a lengthy and detailed chronology tracing its relatively few successes and numerous failures The introductory essay does an admirable job of putting it all in perspective But the most informative part is the dictionary with now over 700 entries for this fourth edition They deal with important personalities politics the economy society culture religion and inevitably the civil war There are also appendixes and an extensive bibliography

Historical Dictionary of the International Monetary Fund Norman K. Humphreys, 1999 The entries in the Dictionary describe the economic and financial concepts employed by the Fund its operational policies and facilities its departmental structure and staffing and its decision making authority including the system of weighted voting by member countries This volume fully updates and expands the 1993 edition while maintaining the author's commitment to thoroughness and accuracy

Historical Dictionary of International Organizations in Asia and the Pacific Derek McDougall, 2014-10-01 Historical Dictionary of International Organizations in Asia and the Pacific Second Edition covers global international and regional organizations in Asia and the Pacific and encompasses both governmental and non governmental organizations This second edition covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities thematic topics and major international issues affecting the region This book is a valuable tool for anyone seeking details about international organizations in Asia and the Pacific and the international context within which those organizations function
