History Of Antichrist:

Naming the Antichrist Robert C. Fuller, 1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In *Naming the Antichrist* Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of *The Late Great Planet Earth* with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life *History of Antichrist*

The System of Antichrist Charles Upton,2001 Investigates the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities Presents lore relating to the latter days and the Antichrist from various religious traditions Drawing on the writings of the leading perennialist thinkers Ren Gu non and Frithjof Schuon sketches the particular quality of spirituality proper to apocalyptic times both its dangers and the opportunities open to it

Unmasking the Antichrist Ron Rhodes,2012-03-01 The identity of the Antichrist is a topic of hot debate today Adding fuel to the flame of rampant speculation are voices saying the Antichrist might be a Muslim or a Jew a view that respected Bible scholar and bestselling author Ron Rhodes argues against in this revealing Scripture based exploration of what God s Word does and does not tell us about the Antichrist the advance signs power moves and eventual fall of this person the mysterious Gog leader of Northern military coalition mentioned in Ezekiel It is time for a trustworthy study of this topic to take the place of emotion based suspicions Believers followers of end times news and anyone anxiously watching the turmoil of today s political landscape will be thankful for this thorough straightforward resource Excellent for church and personal libraries

Vicchio,2009-07-01 In *The Legend of the Anti Christ* Stephen Vicchio offers a concise and historical approach to the history of the idea of the Anti Christ including precursors to the idea the development of the idea in the New Testament as well as the understandings of the legend of the Anti Christ in the history of Christianity Vicchio also raises the question of why there is so much emphasis in the modern world about the idea

The Theology of Reinhold Niebuhr Edward J. Carnell, 2007-10-01 Here is a clear presentation of the salient features of Niebuhr's thought and at the same time a very acute appraisal of it from the standpoint of early Reformation theology. This book is written by a disciplined mind. Its thought is sharp and clear. It offers the reader an adequate summary and a very cogent criticism of an influential contemporary school of theology. A wide audience could profit from its reading. John Wild, former Professor of Philosophy, Harvard Divinity School and Northwestern University. Edward John Carnell was in my estimation the brightest and the best of the neo-evangelical leaders. He was a courageous thinker who was not afraid to think new thoughts in the service of biblical orthodoxy. Richard J. Mouw, President, Fuller Seminary. Carnell's fertile mind and ready pen blazed fresh theological trails as he sought to defend and proclaim the Christian faith as a world and life view. David Allan Hubbard, Former President of Fuller Theological Seminary. Edward John Carnell was one of evangelical Protestantism's most gifted younger minds. His books have long been a bulwark of evangelical Christian faith. Not only did he unmask weaknesses of liberal and neo-orthodox views but he also effectively displayed the power and relevance of evangelical orthodoxy. Christianity Today. In this welcome collection of Carnell books we are offered an inside view of a radical shift in American religious thinking: the emergence of twentieth-century evangelicalism out of Protestant fundamentalism. Rudolph Nelson, author of *The Making and Unmaking of an Evangelical Mind: The Case of Edward Carnell*. Edward John Carnell was an ordained Baptist minister born in Antigo, Wisconsin. For three years he served as Associate Professor of Philosophy of Religion at Gordon Divinity School. He was appointed as the second president of Fuller Theological Seminary from 1954 to 1959. Carnell resigned his position in 1959 to give himself fully to teaching, serving as Professor of Apologetics at Fuller for eight additional years. Dr. Carnell contributed to many religious journals and authored several books including *An Introduction to Christian Apologetics*, *Television: Servant or Master*, *The Theology of Reinhold Niebuhr*, *A Philosophy of the Christian Religion*, and *Christian Commitment*. *War, Progress, and the End of History* Vladimir Solovyov, 1990-12 Between 1907 and 1911 Rudolf Steiner wrote four mystery plays: *The Portal of Initiation*, *The Soul's Probation*, *The Guardian of the Threshold*, and *The Souls' Awakening*. The plays depict the soul and spiritual lives of several characters reflecting the spiritual consequences of our actions in earthly life. Hans and Ruth Pusch devoted their lives to directing performances of Steiner's mystery dramas in America. They also took up the difficult task of translating his four plays into English. This book will prove excellent reading for those wanting to perform the plays or deepen their appreciation for the plays' spiritual content. **Fast Facts on Bible Prophecy from A to Z** Thomas Ice, Timothy J. Demy, 2004-03-01 This quick reference will increase readers' knowledge of the Bible and End Times and will empower them with a deeper understanding of God's plan for the future. An excellent resource for individual or group study. This was formerly titled *Fast Facts on Bible Prophecy*. *The Ministry, Vol. 09, No. 04* Various Authors, 2005-04-01 This issue of *The Ministry* contains the first group of eight messages given during the 2004 fall term of the Full-time Training in Anaheim, California. The general subject for this line of messages is the intrinsic significance of the

Lord's recovery for the building of the church as the house of God and the city of God The word recovery means a restoration or a return to a normal condition after damage or loss has been incurred The principle of recovery is to bring us back to the beginning Matt 19 8 to God's beginning back to what is normal in God's eyes We do not want to be in an abnormal situation of division confusion or denominationalism or in a situation filled with idols and impurities We want to be recovered back to the enjoyment of Christ as our all inclusive good land so that we can be filled with Him in His unsearchable riches and be built up to be the living temple the house of the living God 1 Tim 3 15 This is the Body of Christ for His expression We also want to be built up as the kingdom of God to represent God for His dominion on this earth as pictured by the city of Jerusalem God's recovery begins with our exercised spirit God wants to recover the spirit of man for His economy We can exercise our spirit to contact God worshipping God in our spirit with Christ as our reality Thus we are here to build up the church as the house of God and the kingdom of God Last of all we include a report concerning the Lord's move in the French speaking world and an update concerning the distribution of the ministry in Poland
