John: Loving Jesus and Keeping His Word Paul Y. Lee, 2020-09-30 The passion of Paul Lee for Jesus drove him to write *John: Loving Jesus and Keeping His Word*. Here is one of the most profound reflections on the Gospel of John in our time. Thoroughly researched and written in Lee's distinct voice, this is a book I wish I had on my shelves fifty years ago and provides the kind of insight that will reach preachers, scholars, students, and anyone who wishes to learn more about the living Christ for years to come. Dr. James B. Mooneyhan, Clergy, Atlanta Area of the UMC: The Gospel of John becomes alive anew with the reading of this book. Dr. Lee has compiled a contextual interpretation of the Gospel in a way that informs casual readers and yet challenges serious scholars and seminary students. This is an invaluable resource in sermon preparation, Bible studies, Sunday school lessons, or daily devotions. This work is so extensive yet very understandable that it should be included in every serious student of the Scriptures. I highly recommend this book. Rev. Dr. Philip D. DeMore, Former District Superintendent of the UMC: This book is the labor of a lifetime as Paul Lee shares the fruit of decades of living with the Gospel of John and for persons committed to serious study of the Bible. The title itself is a challenge as the aim of every Christian. My prayer for potential readers is that they will experience Jesus as Lord and Teacher, love him more dearly, and keep his word more faithfully. Maxie Dunnam, Former President of Asbury Seminary, now Minister at Large, Christ UMC, Memphis, TN: The Gospel of John continues to be an inexhaustible source of Christian faith and theology. Paul Lee has given us a fresh, clear, and faithful reading of John, combining chapter-by-chapter overviews, detailed commentary, and insightful practical reflections on John's implications for Christian life and witness. This book is an excellent resource for pastors, teachers, and anyone who desires a deeper encounter with the Johannine biblical text in relation to the New Testament. Rev. Dr. Don E. Saliers, Candler School of Theology, Emory University.

Readings from Classical Rhetoric Patricia P. Matsen, Philip B. Rollinson, Marion Sousa, 1990 Here for the first time in one volume are all the extant writings focusing on rhetoric that were composed before the fall of Rome. This unique anthology of primary texts in classical rhetoric contains the work of 24 ancient writers from Homer through St. Augustine, including Herodotus, Thucydides, Plato, Aristotle, Cicero, Quintilian, Tacitus, and Longinus. Along with many widely recognized translations, special features include the first English translations of works by Theon and Nicolaus, as well as new translations of two works by important sophists: Gorgias' encomium on Helen and Alcidas' essay on composition. The writers are grouped chronologically into historical periods, allowing the reader to understand the scope and significance of rhetoric in antiquity. Introductions are included to each period as well as to each writer, with writers' biographies, major works, and salient features of excerpts.

A Conversation between a Muslim and a Christian Peter Barnes, Mohamad Younes, 2023-07-13 There are many books which set out the case for Islam or for Christianity and point out what they regard as defects in the other religion. This book does that, but it seeks to do so in the form of a workbook which groups of Christians or Muslims might use, and it is conducted in a spirit where truth is paramount.

but so too is kindness and civility The two authors have become friends and hope that this can be detected in the exchanges As the major doctrines of each religion are dealt with we are conscious that these doctrines are important and need to be examined rigorously and charitably We hope we have succeeded to some degree at least

They Who Endure to the End Everett Berry,2020-07-30 Is it possible for a true believer in Christ to apostatize If so how Also how can professing believers know if they are truly born again What assurance can they have that they will never renounce their faith These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters The search for answers has instilled strong disagreements among Christian traditions In this book we navigate the terrain of this debate by examining the pertinent biblical data surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ
