*A History of Republic County, Kansas (Classic Reprint)* Isaac O. Savage, 2015-07-07 Excerpt from A History of Republic County Kansas A single county in the great state of Kansas occupies but an insignificant place on the map of the world and its people and its story are comparatively unknown Yet the grand river of national history is formed by the union of many rills of traditions and record flowing from a thousand counties and states all over the land The tracing of one of these rills to its source is the province of the present little volume It is the aim of this work to collect and preserve some of the facts of the early settlement subsequent growth and development of one of the leading counties of a young yet great and glorious state The families who were early on the ground and whose members have contributed to make the county what it is are worthy of remembrance and their difficulties and sorrows labors and patriotism should not be allowed to fall into oblivion By a knowledge of these the present generation will be instructed and the future will be guided All history if properly written is profitable and there is not a country or a city or a hamlet on the globe whose history might not be more or less valuable to posterity We trust this little volume will be the means of preserving from the empire of decay Si host of incidents of recollections and of anecdotes relating to the land of pioneers and first settlers of the county which in the estimation of the historian and student of history are of priceless value but which otherwise would soon fade from the memories of the living Still a perfect and complete history of any county is one of the impossibilities and this work may be incomplete in many particulars Nor indeed is it possible for it to be otherwise as it is not permitted any man to attain perfection Its regions lie beyond our reach About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more

Barr, 2018-02-03

Excerpt from *A Souvenir History of Lincoln County, Kansas*: Lincoln County lies directly under the ancient coast line of the Triassic age, along which were deposited enormous beds of salt ranging from seventy-five to two hundred fifty feet in thickness at depths ranging from four hundred fifty feet at Hutchinson, Kansas, to nine hundred twenty-five feet at Anthony, these depths being the least and greatest which have been found. So much for the salt. Stone was found in the neighborhood which, when polished, made a very handsome marble surface. Impressions of Early Kansas As I sit by the western window and the brief winter afternoon draws toward its close my mind turns back to dear old Waverley Outside the wind is rising and the waning day shows gray and chill but far away I see visions of a fair deep blue sky gemmed with fleecy floating clouds Instead of deep snows and ice bound streams are wide expanses of green fields velvet carpeted and sown thickly with johnny jump ups and dainty strawberry blossoms Away over the far wooded hills distance lends enchantment to the purplish haze that rests forever above the winding river while around all is spread the fairest country that ever gladdened the eyes and hearts of men the beautiful prairies of Kansas Among the many towns and embryo cities that sprang up as it were by magic on the opening of the territory in eighteen fifty five was my own dear town of Waverley This ambitious little county seat was laid out in true generous Western fashion over a square mile or so of charming hill and dale its modest frame houses many of them built of the native black walnut separated by wide stretches of greenest verdure Here and there the streets led over picturesque wooden bridges for from the hilly eastern border to the noble plateau that formed the western boundary there was a succession of hills and hollows varied by deep winding ravines each of which prisoned a brawling pigmy torrent during the winter thaws and the spring rains Crowning the brow of the eastern hill was the Woodson Hotel a many windowed frame building of two stories looking south In front was a wide veranda from whose pleasant shelter the wayfarer could overlook the little city and the broad wagon road with its traffic and bustle varied now and then by slow moving ox teams or long lines of canvas covered wagons of the countless home seekers These wagons were filled with furniture and bedding weary women and sunburnt children Sometimes a stove pipe protruded through an opening in the canvas telling of an attempt at warmth and comfort when the prairie winds blew cold About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
