Kayak Across The Atlantic Pete Bray, 2014-01-01 First hand account of a single handed crossing of the Atlantic in a kayak

Kayak Across the Atlantic Pete Bray, 2015-07-15 Pete Bray provides a first hand account of the first ever single handed crossing of the North Atlantic

In Search of the I Ramón Lugo, 2016-07-25 This unbelievable yet true story reminds one of biblical struggles it echoes the story of Jacob wrestling with the Angel of God Throughout a long dark night in the middle of the Atlantic a lone man in a kayak braves ruthless tropical storm Franklin Nothing is there to help him no media no helicopters no rescue teams and yet his life is spared The book describes much more than this capturing imagination and awe inspiring ordeal In 2005 the author Ramon Lugo set off to kayak alone across the Atlantic Ocean from the Chesapeake Bay to Spain He considered this crossing a means of finding his inner self He sought to experience times when pure courage is needed to let spirit take over The narrative conveys the raw sense of a seemingly impossible attempt to cross the ocean in a kayak in hurricane season As we join Ramon David Lugo on his breathtaking odyssey we get a taste of his unimaginable courage which is a sister to faith

Six Decades of Failures Chandan Lahiri,2022-11-03 This is the story of my life I am no celebrity even though a lot of people are to their kith and kin Am I I wonder I am not someone who people will or should look up to or maybe even emulate This book is about looking back at my life remembering the choices I have made and their ramifications Have these years been full of failures or have they been foundations on which the pillar of success was or could have been built Was the pillar finally built Is this book an autobiography Is it just a rambling of a person who is remembering the milestone moments of his life Is it a series of confessions Is it a way to pen down my life s journey in anticipation of taking that final flight to the other world I leave it to

you to decide All I can hope for is that you have a good time going through these pages If I can manage to provide some topics of conversations going beyond the confines of just my own life about various aspects that one might be confronted with how to conduct oneself it would all have been worth it

Man Across the Sea Carroll L. Riley,J. Charles Kelley,Campbell W. Pennington,Robert L. Rands,2014-10-14 Whether humans crossed the seas between the Old World and the New in the times before Columbus is a tantalizing question that has long excited scholarly interest and tempted imaginations the world over From the myths of Atlantis and Mu to the more credible perhaps but hardly less romantic tales of Viking ships and Buddhist missionaries people have speculated upon what is after all not simply a question of contact but of the nature and growth of civilization itself To the specialist it is an important question indeed If people in the Western Hemisphere and in the Eastern Hemisphere developed their cultures more or less independently from the end of the last Ice Age until the voyages of Columbus the remarkable similarities between New World and Old World cultures reveal something important about the evolution of culture If on the other hand there were widespread or sustained contacts between the hemispheres in pre Columbian times these contacts represent events of vast significance to the prehistory and history of humanity Originally delivered at a symposium held in May 1968 during the national meeting of the Society for American Archaeology the papers presented here by scholars eminent in the field offer differing points of view and considerable evidence on the pros and cons of pre Columbian contact between the Old World and the New Various kinds of data archaeological botanical geographical and historical are brought to bear on the problem with provocative and original results Introductory and concluding remarks by the editors pull together and evaluate the evidence and suggest ground rules for future studies of this sort *Man across the Sea* provides no final answers as to whether people from Asia Africa or Europe visited the American Indian before Columbus It does however present new evidence suggested lines of approach and a fresh attempt to delineate the problems involved and to establish acceptable canons of evidence for the future

learned from his training and shows how the rest of us can apply those teachings to our daily lives in terms of learning to push beyond our internal boundaries and achieve the goals we've set for ourselves both professionally and personally. Reaching Beyond Boundaries teaches how to set and conquer both micro and macro goals through removing excuses, having the right mindset, and learning from successes and failures. Making your dreams a reality is possible. With Reaching Beyond Boundaries, you can begin to realize your fullest potential today. *The Scots Magazine*, 1929. Proceedings of the Society of Antiquaries of Scotland. Society of Antiquaries of Scotland, 1912. Includes List of members. **We Give a Squid a Wedgie**. C. Alexander. London, 2013-04-04. If Oliver and Celia Navel had any hopes, this year would be less life-threatening than the last; their hopes are quickly shattered along with their television set. When a strange scientist warns them that their mother is yet again in peril, it's off to the Pacific Ocean they go. But navigating stormy seas proves easy compared to tackling a Kraken, an enormous squid, and the twins think they might have bitten off more than they can chew. In their quest for Atlantis, Oliver and Celia are in the worst trouble of their young lives, and survival comes down to one seemingly impossible task: giving a squid a wedgie.
