Keep The Killer Asleep Poems:

Keep the Killer Asleep Steven Blaski, 1994-12-31 In this angry yet melancholy homage to AIDS soldiers Steven Blaski builds a bridge between the rarefied and the mundane conjuring a world in language that is spare provocative and elegant With sorrow anger passion and wit Blaski pays tribute to those who have fallen and those who continue to fight oppression all the while exploring the details which inform the poet's own experiences Keep the Killer Asleep is an invocation against what would destroy us a defiant yet affirming work from an incredibly gifted emerging talent A remarkable and haunting first volume of poems It is for gay men of his generation an odyssey almost archetypal in its familiarity echoing at every turn the alienation of adolescence and all the bitter travail of coming to awareness in a society utterly hostile to gay consciousness Lambda Book Report Blaski may be the best poetic witness to the gay human experience writing today The James White Review Consider being taken gently by the arm and then shaken during a tour of our iconic culture Michael Klein Poets For Life

Poems and Ballads & Atalanta in Calydon Algernon Charles Swinburne,2000-08-31 This volume brings together Swinburne s major poetic works ATALANTA IN CALYDON 1865 and POEMS AND BALLADS 1866 ATALANTA IN CALYDON is a drama in classical Greek form which revealed Swinburne s metrical skills and brought him celebrity POEMS AND BALLADS brought him notoriety and demonstrates his preoccupation with de Sade masochism and femmes fatales Also reproduced here is Notes on Poems and Reviews a pamphlet Swinburne published in 1866 in response to hostile reviews of POEMS AND BALLADS **Rabbit's Poetry** Christopher Laramie,2022-11-24 A thing I thought of years ago at Mc Gregor Range New Mexico Little did I know on that night run I had either a delusion or an abduction I just remember my watch stopped and confusion Told my friends too In the desert at night running I puked like 95% of my runs I was also called Rabbit I was good at long distance running When I finished they played the kazoo Even one alien could prove true and in a zoo No one believed it to be true They had no clue Found a zapped cow A short moo steaks precooked for you An alien cooked that what I said was true and we also made stew In Rabbit s Poetry author Christopher Laramie offers an eclectic collection of humorous creative and sometimes furious poems Written by an Iraq war veteran these selections touch on a wide variety of topics from Laramie s life His imaginative and heartfelt selections include a look at everything from graduating from airborne school to exploring the world of wild mushrooms his military service to living life in Michigan and much more Laramie s poetry composed as a coping mechanism gives unique insight into his thoughts feelings and emotions Jesus Life Story in Poetry Rob Bellingham,2025-01-13 If you are curious you probably ask the question why more than most except if you re young All children are curious and most parents wish there weren t quite so many whys However if you are reading these pages you are undoubtedly well past the preschool why stage So why would you ask questions of this book There are two reasons Firstly the book is written in poetry and that puts it into a minority category In introducing myself I told you it is book four in a series The first took twelve years on and off and totals 1000 pages quite a tome The next two and this one are a modest length I discovered rhyming couplets were an attention catching way to read the Bible so continued the write in the

same genre The second reason is that I use the first person singular as the perspective This added impact to books two and three New Testament Profiles in Poetry and First Testament Profiles in Poetry The nearly two hundred people featured in the bible story are able to describe the impact Jesus had on shaping their lives and it was profound Imagine for instance that you d been crippled for 38 years and Jesus one day asked if you wanted to stand and walk I d definitely say yes and he did too A minute later you were dancing Wow what a day But this book takes a step further Jesus is talking about what he did and why he did it and the outcomes and learnings you can take from each unique encounter I hope you don t find it sacrilegious that I put words into the mouth of Jesus in poetry My justification The apostle John concludes his writing by saying if all Jesus said and did were written the earth could not contain the scrolls So here it is Jesus sharing what it was like to create to guide patriarchs judges kings and prophets To meet scribes and rulers disciples and sick people the rich and the poor and change their lives And to give us a peep into the future Enjoy reading
