of time and space maintaining the balance between worlds to protect Earth Austin was a black and white far from young cat Not just any cat mind you he was the Keeper s cat a very outspoken feline with extremely strong opinions he was always willing to voice After all who knew better than Austin what was best for the well being of Claire and for the not quite as important rest of the universe Claire Hansen was a Keeper a member of that select group that kept the universe in one piece And now she d been Summoned to the Elysian Fields Guesthouse a rundown bed and breakfast that seemed to attract the most unusual clientele And Claire was not happy about this latest assignment not happy at all Not when she d been tricked into taking over here by a horrible little gnome of a man who d abandoned his post before she d even figured out who he really was Not when room six held a resident who d been sleeping there for so many years that she really needed a good dusting except that it was far too dangerous for anyone to get that close to her Not when the basement housed too much temptation for anyone s mental health Not when she found herself surrounded by helpers as distracting as Dean the hunky yet innocent handyman and Jacques a ghost with a real lust for life And especially not when it looked like this might be the not only her most challenging mission but one she d be stuck handling for life     *The Ascended Masters on Soul Mates and Twin Flames* Mark L. Claire Hansen was a Keeper gifted or cursed with the job of being one of Earth's Guardians Summoned to areas where anomalies existed where rifts had opened or had been opened Such places were the world's danger spots where if they weren't sealed in time all the minions of Hell might break through After she'd closed the portal into Hell at the Elysian Fields Guest House Claire and her talking cat Austin found they'd acquired a new companion Dean Though Dean was a Bystander and shouldn't have been allowed to even remember Keepers existed somehow in the course of their mutual ordeal at the Elysian Fields he'd become an indispensable part of Claire's life She knew she should change his memories and force him to leave her Any other course was bound to lead to disaster But as it turned out it was already too late for without Dean around Claire could easily become a danger to herself and the very fabric of space and time Yet with Dean around and a little of her sister Diana's meddling thrown in the world was headed straight for Chaos And Claire was about to face a challenge beyond her wildest imagining a catastrophe created by the power of love when an angel and a devil each manifested in the mortal world as fully endowed teenagers who didn't have a clue how to handle their all too human bodies raging hormones and opposing needs to do good and evil
