Keeping the Wolves at Bay Jonathan Bernstein, 2007 **Corporate Reputation** Ronald J. Burke, Graeme Martin, Cary L. Cooper, Keeping the Wolves at Bay Jonathan Bernstein, Celeste Mendelsohn, 2007-03-17 Even if you think you'll never be interviewed by the media buy this book and read it cover to cover It isn't a substitute for media training But it will give you the tools and confidence to go head to head and possibly even defang rabid reporters blood thirsty bloggers and social networking buffoons who are out to besmirch your good name Joan Stewart The Publicity Hound Keeping the Wolves at Bay Media Training is the definitive how to guide for anyone who may have to deal with the media live by phone or online whether they want to or not It brings readers the best of Jonathan Bernstein's nearly three decades of crisis management and media training experience written in a style that's both entertaining and informative The material in the book in various earlier incarnations passed the test of real crises for many years Bernstein takes the readers on a journey that starts Inside the Minds of Journalists moving on to Getting Ready to be Interviewed and then segueing to Media Tactics Dancing the Dance He then provides detailed information on Media Logistics for all forms of interviews and goes on to address some unusual situations e.g. Media Training the Untrainable in a section called Special Circumstances Finally he provides readers with bonus materials that they will be able to use hands on right away While the author's focus is on the crisis related applications of media training he notes that his clients have found the teachings to have improved their ability to communicate with many different types of audiences from town hall meetings to public hearings to investor events and more His international training experience have demonstrated that the principles espoused in Keeping the Wolves at Bay Media Training are truly universal Keeping the Wolves at Bay Jonathan Bernstein, 2004 *Keeping the Wolves at Bay* Jonathan Bernstein, 2002-12 Training and reference manual for organizational spokespersons who have to deal with the media particularly in times of crisis As of 4/03 there was literally no comparable publication anywhere in the marketplace

Keeping the Wolves at Bay Jonathan Bernstein, 2004-06-01 **Corporate Reputation** Mr Graeme Martin, Prof Sir Cary L. Cooper CBE, Professor Ronald J. Burke, 2012-08-28 Increasing media scrutiny global coverage and communication via the internet means corporate reputation can be damaged quickly and failing to successfully address challenges to corporate reputation has consequences Companies generally suffer almost ten times the financial loss from damaged reputations than from whatever fines may be imposed According to Ernst Young the investment community believes up to 50 per cent of a company's value is intangible based mostly on corporate reputation So recognizing potential threats or anticipating risks emerges as a critical organizational competence Organizations can regain lost reputations but recovery takes a long time Corporate Reputation contains both academic content along with practical contributions developed by those serving as consultants or working in organizations in the area of corporate reputation and its management or recovery It covers why corporate reputation matters the increase in reputation loss threats to corporate reputation monitoring reputation threats

online and offline the key role of leadership in reputation recovery and making corporate reputation immune from threats Any book that is going to do justice to a subject that is so complex and intangible needs imagination depth and range and this is exactly what the contributors bring with them *Manager's Guide to Crisis Management* Jonathan Bernstein,2011-10-17 Lead your Organization through any business crisis and emerge stronger than ever Manager s Guide to Crisis Management provides the basic skills and knowledge you need to deal with the crises that inevitably occur in any business or organization Covering every aspect of the topic from defining crisis management and policies to training for and responding to crises it helps you fully grasp any situation that threatens business careers and even lives Lead through any crisis smoothly and with minimal ramifications by mastering the most effective tactics including Planning for and training staff in crisis management Anticipating and preventing crises before they occur Managing the company s online reputation Addressing crises that affect multicultural stakeholders Creating effective crisis related messaging Knowing when to bring in a specialist About the Briefcase Books series Briefcase Books written specifically for today s busy manager feature eye catching icons checklists and sidebars to guide managers step by step through everyday workplace situations Look for these innovative design features to help you navigate through each page Key Terms Clear definitions of key terms and concepts Smart Managing Tactics and strategies for managing crises Tricks of the Trade Tips for executing the tactics in the book Mistake Proofing Practical advice for minimizing the possibility of error Caution Warning signs for when things are about to go wrong For Example Examples of successful crisis management Tools Specific planning procedures tactics and hands on techniques

Witness Protection and Criminal Justice in Africa Suzzie Oyakhire,2023-06-30 This book examines the concept of witness protection which is still at an early developmental stage in several African countries including Nigeria from a legal and institutional perspective Recent developments in Nigeria highlight the need to clarify legal and conceptual issues within the existing legal framework for protecting witnesses Using the Nigerian case study the book illustrates some obscurities inherent in the concept of witness protection These are highlighted around five critical areas the definition of witness protection the scope of beneficiaries requiring protection the nature of crimes necessitating protection the nature of protective measures and the administrative control of witness protection Specifically this book draws from the existing literature and practices of witness protection and adopts two distinct perspectives the criminal justice perspectives and human rights perspectives as heuristic tools for analysing the concept and to separate the disparate influences that shape how it is construed These distinctions are utilised throughout the book as an integrated way of conceptualising the concept of witness protection By discussing the practice of witness protection within the Nigerian context the book contributes to African conversations on the topic of witness protection The clarifications made in this book are utilised in making normative proposals for developing a legal framework for witness protection in Nigeria They are also useful for other African countries interested in developing a witness protection framework as part of criminal justice reform This book will serve as a reference

point for legal scholars researchers academics postgraduate students and policy makers interested in the concept of witness protection It would also be useful for courses concerned with comparative criminology where there is an interest in developments in the Global South *Understanding Coexistence with Wildlife* Simon Pooley, John D. C. Linnell, Ursula Münster, Thom van Dooren, Alexandra Zimmermann, 2022-03-25 *The Awakening* Gary Alan Wassner, 2014-04-01 In this second volume of the GemQuest series the battle lines have been drawn The Dark Lord reaches beyond his realms in search of the heir and the disparate nations of the world begin to recognize the magnitude of his evil They rise up united and renew their bonds From the dazzling ice kingdom of Eleutheria to the magnificent tree top city of Seramour revived allies succor and protect the Twins during the preparation for their all important quest for the Gem of Eternity But first Davmiran must be awoken from his spell of slumber Colton dar Agonthea nemesis of life thwarted previously in the city of Pardatha is determined to capture or kill the heir before he is revived thus putting an end to the prophecy and preventing him once and for all from fulfilling his destiny **Finweek** , 2005-10 *People, Risk, and Security* Lance Wright, 2017-02-20 Lance Wright shows why business in the 21st century requires a new understanding of the intersection of risk security and human resource management He argues that these areas should no longer be considered separate processes handled by technical specialists with limited spheres of expertise People risk and security management should be treated as a critically important integrated business management system People may be your greatest asset but they can also be your biggest liability They expose you to all sorts of risks risks from things they can do or fail to do and from things that can be done to them No matter how tight a risk and security management policy may be in theory it can fail on its first contact with reality if it doesn't understand the people involved Wright understands people risk and security like few others For years he was in charge people management for leading oil companies getting people into and out of some of the most dangerous and hostile work environments on the planet and keeping them safe while they were there Then he was responsible for a private army literally licenced to kill guarding nuclear submarines that were being decommissioned as part of the Megatons to Megawatts program Risk is more than a set of formulas Security is more than guns gates and badges Both ultimately come down to the people you are responsible for One day the depth of your understanding of that connection may what stands between you and disaster *The Friend* , 1911 *The Comics Journal Library* Gary Groth, Michael Dean, 2015-01-15 The definitive Comics Journal interviews with the cartoonists behind Zap Comix featuring Supreme 1960s counterculture underground artist Robert Crumb on how acid unleashed a flood of Zap characters from his unconscious Marxist brawler Spain Rodriguez on how he made the transition from the Road Vultures biker gang to the exclusive Zap cartoonists club Yale alumnus Victor Moscoso and Christian surfer Rick Griffin on how their poster art psychedelia formed the backdrop of the 1960s San Francisco music scene Savage Id choreographer S Clay Wilson on how his dreams insist on being drawn Painter and Juxtapoz founder Robert Williams on how Zap 4 led to 150 news dealer arrests Fabulous Furry Freaky Gilbert Shelton on the importance of research

Church of the Subgenius founder Paul Mavrides on getting a contact high during the notorious Zap jam sessions and much more In these career spanning interviews the Zap contributors open up about how they came to create a seminal living work of art
