Inman,2019-07-16 This book tells the story of Hild the abbess of a highly successful double monastery at Whitby in Northumbria where she was responsible for the education of five future bishops Here she exercised an authority which in subsequent centuries would be reserved exclusively for men At thirteen Hild was baptized by Paulinus who had come to Britain to join Augustine s mission Augustine had been sent by Pope Gregory to convert Britain which had largely lapsed into paganism after the fall of the Roman Empire Augustine in fact had little success in converting the Britons beyond Kent and even in Kent Christianity had already been partially re established by Queen Bertha who had brought her Catholic Chaplain with her from Gaul upon her marriage to King Ethelbert There were many powerful women like Bertha who had been at the forefront of keeping the faith alive in the Dark Ages but whose agency has been written out of history or down played in favour of the actions of famous men Hild s story is brought back to life alongside Mary who founded a desert community at Tabenisi Macrina the teacher didaskalos of Gregory of Nyssa Basil of Caesarea Ita confessor to Brendan the formidable Aelfled who succeeded Hild at Whitby a co worker and confidante of Cuthbert As the Catholic Church struggles under the weight of centuries old misogyny it is surprising to see how in the early medieval period abbesses had shared governance with bishops As that church struggles with a shortage of male priests to celebrate the sacraments it is instructive to see how many sacramental ministries were once exercised by female monastics Confession for example was once practiced in the same way whether the confessor was a man or as in Hild s case a woman The span of Hild s life covers the period before and after the establishment of clericalism the unbridgeable gap between the higher plane of the male priesthood and the lower plane of religious women Bede s telling of Hild s life was already downplaying her authority as a powerful leader in the Anglo Saxon church It is time for that to be remedied **Walking the Maze** Loren Cruden,1998-11-01 A vivid description of the

fierce and free Celtic spirit as it has been sustained through history and a vision for living that spirit in the present Equates Celtic customs with Native American traditions and rituals Presents a vision of the ancient Celtic path as it can be lived today With the perspective of a passionate historian and the clarity of a modern day medicine woman Loren Cruden presents to us a vision of ancient Celtic spirit as it can be lived today In Walking the Maze she explores Celtic culture both in comparison to Native American ways of life and in its own light and strength examining the attributes that define and sustain the vitality of the Celtic spirit Four aspects of traditional Celtic life common to both Celtic and Native American cultures are kinship consciousness a high regard for women as part of a general commitment to freedom a fluid perspective of reality and a primal spiritual engagement with the land For the Celts this crafted rugged land loving individualists fierce and free in their expression gracious to all answerable directly to Spirit but responsible for the entire community This vision of Celtic spirit informs the vision of how we may live in the present renewing a cultural integrity that is inseparable from personal wholeness and ecological consciousness
