Depictions of Dangerous Reading Kevin R. West, 2019-04-15 *Literary Depictions of Dangerous Reading* explores how selected American and European literary texts from the classic to the contemporary represent reading as a dangerous endeavor It investigates how the texts being read or the conditions of reading may produce danger and considers the various qualities of the dangers depicted literal or metaphorical real or imagined minor or mortal Whereas readers can readily imagine being depressed or bored by a book or even perhaps corrupted in some moral fashion readers typically assume that the mere words on a page cannot directly affect their health Nevertheless literature can and does stage readings in which readers suffer actual harm from the magical or supernatural qualities of a given text Such impossibly dangerous reading fascinates the author argues by exaggerating the dangers that may inhabit certain real experiences of reading **Reading**

Network Fiction David Ciccoricco, 2007-11-25 Ciccoricco analyzes innovative developments in network fiction from first generation writers Michael Joyce *Twilight a symphony* 1997 and Stuart Moulthrop *Victory Garden* 1991 through Judd

Morrissey's *The Jew's Daughter* 2000 an acclaimed example of digital literature in its latter instantiations on the Web Each investigation demonstrates not only what the digital environment might mean for narrative theory but also the ability of network fictions to sustain a mode of reading that might arguably be called literary

BOOK JACKET *Narrative Absorption* Frank Hakemulder, Moniek M. Kuijpers, Ed S. Tan, Katalin Bálint, Miruna M. Doicaru, 2017-11-15 *Narrative Absorption* brings together research from the social sciences and Humanities to solve a number of mysteries Most of us will have had those moments of being totally absorbed in a book a movie or computer game Typically we do not have any idea about how we ended up in such a state Nor do we fully realize how we might have changed as we return for the fictional worlds we have visited The feeling of being absorbed is one of the most illusive and transient feelings but also one that motivates audiences to spend considerable amounts of time in narrative worlds and one that is central to our understanding of the effects of narratives on beliefs and behavior Key specialists inform the reader of this book about the nature of the peculiar state of consciousness during episodes of absorption the perception of absorption in history the role of absorption in meaningful experiences with narratives the relation with related phenomena such as suspense and identification issues of measurement and the practical implications for instance in education entertainment Various fields have worked separately on topics of absorption albeit using different terminology and methods but having reached a high level of development and complexity in understanding absorption Now is the time to bring them together This volume will be a point of reference for years to come

discourse processing Keen brings together resources and challenges for the literary study of empathy and the psychological study of fiction reading Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines Education English and Library and Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory *Theoretical Models of Learning and Literacy Development* Evan Ortlieb, 2014-06-13 Theoretical Models of Literacy Development highlights the latest theoretical advances in reading writing and multiliteracy development New models are discussed to account for the rapidly changing literacy scene inclusive of the interdisciplinary nature of literacy and content area learning Empathy and Reading Suzanne Keen, 2022-06-23 This pioneering collection brings together Suzanne Keen's extensive body of work on empathy and reading charting the development of narrative empathy as an area of inquiry in its own right and extending cross disciplinary conversations about empathy evoked by reading The volume offers a brief overview of the trajectory of research following the 2007 publication of *Empathy and the Novel* with empathy understood as a suite of related phenomena as stimulated by representations in narratives The book is organized around three thematic sections theories empathetic readers and interdisciplinary applications each preceded by a short framing essay The volume features excerpts from the author's seminal works on narrative empathy and makes available her harder to access contributions The book brings different strands of the author's research into conversation with existing debates with the aim of inspiring future interdisciplinary research on narrative empathy This book will be of interest to students and scholars in such fields as literary studies cognitive science emotion studies affect studies and applied contexts where empathetic practitioners work **Reference and Information Services** Kay Ann Cassell, Uma Hiremath, 2012-11-20 As librarians experience a changing climate for all information services professionals Cassell and Hiremath provide the tools needed to manage the ebb and flow of changing reference services in the 21st century **Literary Reading** David S. Miall, 2006 This is the first major book in English on literary reading to be based on empirical methods Moving the focus away from interpretation to the experience of literary texts these studies

demonstrate the role played by feeling in readers responses showing how feeling performs important functions during reading that cannot be accounted for by cognitive understanding These studies not only reinvigorate the concept of literariness they are also thoroughly interdisciplinary offering a coherent approach to literary reading that draws on literary theory psychology neuropsychology and evolutionary psychology Several chapters help to introduce the empirical approach for students

The Crossover Novel Rachel Falconer, 2008-10-21 Highly recommended by Choice While crossover books such as Rowling s Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory

Promoting Reading for Pleasure in the Primary School Michael Lockwood, 2008-06-24 Winner of the UKLA Author Award 2009 Lockwood has written a useful supportive book which will help teachers and librarians He describes the background and summarises the research and then proposes thoroughly practical programmes Carousel Michael Lockwood has produced an excellent practical overview and analysis of what works in the primary school to promote reading for pleasure Lockwood s work is grounded and valuable to those who need it most teachers in the classroom working hard to engender a love of reading English Drama Media This book is first class It puts the matter very clearly and succinctly and presents a great deal of evidence to support the argument that pleasure is not a frivolous extra but the very heart and essence of what reading is about It also gives readers plenty of ideas for carrying the principle into the classroom and for justifying it This is an excellent piece of work which I hope will find a place on every staffroom bookshelf Philip Pullman

English primary school children are less likely to read for pleasure than their counterparts in many other countries This practical and focused book discusses the background to this situation and looks at how government initiatives have tried to address it Drawing on the author s own research project in order to identify good practice in promoting reading for enjoyment the book presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading Each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes There is also an extensive annotated list of print and internet based resources Topics covered include Becoming a reading for pleasure school Promoting a love of reading in the early years Developing reading enjoyment in the later primary years Getting boys reading Promoting Reading for Pleasure in the Primary School is written for all those involved in education who would like to see as many children as possible develop a love of reading It will be particularly relevant for primary teachers teaching assistants trainee teachers advisers and

consultants as well as teacher educators and researchers

Cognitive Neuroscience of Natural Language Use Roel M. Willems, 2015-02-12 When we think of everyday language use the first things that come to mind include colloquial conversations reading and writing e mails sending text messages or reading a book But can we study the brain basis of language as we use it in our daily lives As a topic of study the cognitive neuroscience of language is far removed from these language in use examples However recent developments in research and technology have made studying the neural underpinnings of naturally occurring language much more feasible In this book a range of international experts provide a state of the art overview of current approaches to making the cognitive neuroscience of language more natural and closer to language use as it occurs in real life The chapters explore topics including discourse comprehension the study of dialogue literature comprehension and the insights gained from looking at natural speech in neuropsychology

Handbook of Empirical Literary Studies Donald Kuiken, Arthur M. Jacobs, 2021-09-20 This handbook reviews efforts to increase the use of empirical methods in studies of the aesthetic and social effects of literary reading The reviewed research is expansive including extension of familiar theoretical models to novel domains e g educational settings enlarging empirical efforts within under represented research areas e g child development and broadening the range of applicable quantitative and qualitative methods e g computational stylistics phenomenological methods Especially challenging is articulation of the subtle aesthetic and social effects of literary artefacts e g poetry film Increasingly the complexity of these effects is addressed in multi variate studies including confirmatory factor analysis and structural equation modeling While each chapter touches upon the historical background of a specific research topic two chapters address the area s historical background and guiding

philosophical assumptions Taken together the material in this volume provides a systematic introduction to the area for early career professionals while challenging active researchers to develop theoretical frameworks and empirical procedures that match the complexity of their research objectives

Embracing the Beat of Phrase: An Psychological Symphony within **Lost In A Book The Psychology Of Reading For Pleasure**

In a global consumed by monitors and the ceaseless chatter of instant connection, the melodic beauty and emotional symphony created by the prepared word frequently disappear in to the background, eclipsed by the persistent sound and disruptions that permeate our lives. But, set within the pages of **Lost In A Book The Psychology Of Reading For Pleasure** a marvelous literary value filled with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, this charming masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed songs and profound impact resonating within each carefully constructed phrase. Within the depths with this touching review, we will explore the book is main harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
