King, 2010-04-19 A critical care nurse marries his patient s widow only to later poison her in this true crime story by the author of *Stolen in the Night* A Woman with A Passion For Power Kathy Marie Augustine was not out to make friends In politics she rose to the top by playing hardball and pushing her way through the old boy s network of the Nevada legislature rising to the rank of State Controller When she died only a few people shed tears including the man who killed her A Killer with A Foolproof Plan Chaz Higgs was a former body builder turned intensive care nurse who saw wealthy sexy Kathy Marie Augustine as his meal ticket until he couldn t stomach her domineering personality any longer When Chaz decided he d had enough he chose a poison that would leave no evidence behind Murder Hidden in Plain Sight The death of a nationally known politician made headlines but one slip of the tongue came to the attention of a determined Nevada detective Now true crime master Gary C King takes us into the extraordinary life and death of a famously ambitious woman politician behind the scenes of the investigation that unearthed shocking secrets and into the heart and mind of a man who nearly got away with the perfect crime Includes Sixteen Pages of Revealing Photos Love Lies: A True Story of Marriage and Murder in the Suburbs Amanda Lamb, 2015-09-22 A perfect life A perfect lie When Nancy Cooper moved from Canada to Cary North Carolina with her new husband Brad their future was bright living in one of the most picturesque towns in the US the couple mingled with neighbors attended parties and raised two daughters Then on July 14th 2008 the facade came crashing down when Nancy s strangled body was found in a storm pond Nancy s husband claimed that she had gone for a jog and never come back But as the police investigation deepened and as Brad was brought to trial for murdering his wife a complex web of affairs and lies was uncovered involving multiple residents of Cary s idyllic neighborhoods At the heart of it stood the Coopers soured marriage Nancy s threat to leave with the children and her own cold blooded murder It would take a mountain of damning evidence before justice was served Love, Lies, and Murder -

They Were the Perfect Couple... Then He Killed Her Gary C. King, 2007 *CRIME SCENE* Gary C. King, 2013-06-25 Bizarre compelling terrifying and authentic true crime stories of murder and mayhem In these pages you will find a story about a tormented serial killer and how he resorted to cannibalism a female celebrity s fan who had an obsession to murder her torture murders crimes of passion among many others chilling crimes that could only be perpetrated by the twisted minds and gruesome obsessions of coldblooded killers the stuff that horror movies and novels are made of brought to you from the vault of bestselling true crime author and serial killer expert Gary C King There are 15 terrifying heart pounding stories in all guaranteed to keep you awake and your doors locked as only King the Master of True Crime can write them **Someone She Knew** Liston House, 2011-10 One by one coeds at bucolic Hinsdale College are being sadistically murdered Veteran Ohio detective Ralph Burroughs had never seen anything like these ghastly crimes There are no clues except all the victims know their killer They go off with him to their deaths With great reluctance Burroughs allows Cassie Morgan a young psychologist to join the investigation She believes she can attract the killer for Burroughs to catch She does ID several suspects but the murders continue Burroughs and Cassie come to love each other deeply He worries constantly about her but believes he has taken every precaution to protect her Then as they lay a final trap for the killer Cassie disappears **No-Body Homicides** Mark Stobbe, 2023-05-05 No Body Homicides The Evolution of Investigation and Prosecution examines how police and prosecutors have become more successful in obtaining convictions for homicide when the remains of the victim are unavailable as evidence Based on an examination of over 600 cases in the United States and Canada this book shows the length some killers will go to avoid punishment and the determination of police and prosecutors to bring them to justice For over 300 years murderers in the United States and Canada could avoid prosecution by successfully disposing of the body of their victim No Body Homicides provides the reader with a historical overview of prosecutions in which a killer destroyed or hid the body of the victim It explains why prosecutions were once extremely rare and how legal attitudinal and technical changes have made them more common The book also explores how the logic of no body homicide prosecutions differs from body present homicides It allows police and prosecutors to draw on the accumulated experience of hundreds of prosecutions For criminology students it provides fascinating insights into the process of investigating and prosecuting homicides as well as a glimpse into the motivations and practices of killers who are so determined to avoid punishment that they remove the bodies of their victims No Body Homicides will be of practical interest to police or prosecutors confronted with a missing person s case that could be sinister It is also written to be appropriate as a supplementary text in an undergraduate criminology class or for an aficionado of True Crime **The Brandywine Game** Robert A. Liston, 2011-05-02 Rogers was dead Khrushenko was dead Only Sloane survived and the secret that was to have died with him in the little shop in Munich The defector had said that he could identify the mole the Soviet agent who sat on the Committee the group that ran the Agency That s what Khrushenko said but Sloane couldn t even be certain they existed But too much had gone wrong too

many times for him to doubt that the mole was real And just maybe he knew who it was knew more than the code name Parsley But could he live long enough to do something with the information The mole was in a position to use both American and Russian agents to get at Sloane and he was taking advantage of that All Sloane had on his side was a vacationing political science instructor Freddie Falscape and a finely honed tradecraft Finally the woman was willing to help Now it was a matter of time

BLOOD LUST Gary C. King, 2011-06-01 The 16 year old was lucky She at least survived her encounter with Dayton Leroy Rogers to detail its horrors But a long list of other women were not as fortunate Their stories had to be painstakingly pieced together by police from the corpses on the most shocking trail of terror ever left by a serial killer The Man Who Loved to Kill Women Dayton Leroy Rogers was known in Portland Oregon as a respected businessman and devoted husband and father But at night he abducted women forced them into sadistic bondage games and thrilled in their pain terror and mutilation His murderous spree was stopped only after in plain view he slashed to death his final victim and when a hunter accidentally stumbled onto the burial grounds of seven other women Rogers had killed one by one in the depths of the Molalla Forest did police realize they were dealing with a killer whose bloodlust knew no bounds This is the shocking true story of the horrifying crimes capture and conviction of Dayton Leroy Rogers Oregon's mild mannered businessman by day vicious serial killer by night

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Video Movies** , 1992 *Love, Lies and Murder* Evelyn Cullet, 2013-09-01 Charlotte Ross's world is about to crumble The man she loves has announced his engagement to another woman Charlotte's friend dubious globe trotter and mystery author Jane Marshall is back in town but when she stumbles upon the gruesome body of the town's millionaire industrialist Jane becomes too wrapped up in the murder to help Charlotte in her embarrassing attempts to stop her ex lover's wedding Charlotte is endearingly impractical as her impulsive choices lead her into and out of trouble only to
