WHAT READERS ARE SAYING ABOUT THIS SIZZLING HISTORICAL ROMANCE When reading a historical romance novel I look forward to the historical plot line as much as the romance With that in mind I love when the author takes the time to make the historical facts as accurate as possible for a fiction piece Ms Frances doesn't disappoint with this wonderful novel Set in the post civil war west and northeast the author paints a vivid picture of the hardships and prejudices of the time while at the same time weaving factual data about the wave of crime during the period that was a direct result of the war and the detective agency known as the Pinkertons that was formed to fight the crime As a lover of history as well as romance I enjoyed the way the author intertwined the love story of Elise and

Nate in a realistic way into the backdrop of these perilous times I would recommend this book to those who enjoy a realistic romantic historical novel This was such a great book It is a Historical romance that starts out Western and moves to the northeast as the characters do This story does have a happily ever after If you re a fan of historical romances like Jane Austen or some like her you ll love this book Its perfect clean happy love though it takes work to get there The setting of the beginning of this story really makes me stop and think about how horrible the conditions of her arranged marriage to someone in Boston must have been to her to walk away from a well off family to nothing The trials and tribulations that Elise has to endure throughout the book when she goes west to meet her husband by proxy is nothing short of things that made me want to weep for her Watching Elise grow and blossom in front of my eyes was fascinating How does Elise handle so many tragic things so stoically I am in complete awe of this woman This is definitely a book filled with twists turns curves tunnels and unsolvable mazes in spots You need to read it This is my first book by Ailene Frances and I look forward to more of her works I don t read many historical romances much anymore but I can tell you that I m really glad I decided to read this one The blurb grabbed my attention and the story stole my heart This was a real heartfelt story that has been written very well and so different from what I had expected This is a great read of the old west and just how primitive it was back then and how families of wealth wouldn t take a chance on their reputations even when things happen that are out of someone s control Elise and Nate s journey is one that must be read to fully understand the depth of their journey to love This is a true old fashion love story written to make the reader fall in love and she completely accomplished that **Dragon Love** Eileen Sheehan,2018-09-04 Hold on tight as sparks fly and secrets are revealed when Chloe the private investigator on a missing persons case infiltrates a laboratory run by a mad scientist There she meets Tristan a victim of genetic experimentation held captive by evil subterranean meta naturals As Chloe and Tristan embark on perilous adventures together their undeniable chemistry ignites making for a thrilling ride full of action romance and mystery Dream Love Eileen Sheehan,2017-07-23 What happens when you fall in love with the fantasy man in your dreams only to discover that he s real but not human Get ready for a thrilling ride as you follow Gertie Hitchcock s journey of falling in love with her fantasy man from her dreams only to find out he s not just a figment of her imagination But when her dream man becomes a reality she also discovers a world of alien shape shifters and dangerous stalkers who will stop at nothing to possess her Will Gertie s Dream Love come to her rescue and save her from some seriously bad errors in judgement Dive into the pages of this gripping tale and find out HERE
