Author Eileen Sheehan knows how to pack magic into every tiny detail and new surprise of this story that captures the imagination and the heart from the very first page The best way to describe this novel is wide eyed wonder as readers follow Mila with that same expression of enthusiastic discovery She s certainly a courageous heroine you ll root for all the way through Sheehan does a great job with dialogue and close personal narration to let us into Mila s struggles so that we sympathize with her plight but there s also a lot of love laughter and joy It s refreshing to read a fantasy that is so full of happy moments despite the magic and danger occurring and fans of unicorn lore and epic fantasy will find Mila utterly enchanting Some quite powerful themes build subtly and come through very strongly at the end at its heart there is a thoughtful and lyrical story about loyalty legacy and the cost of truth in a magical world Overall I would certainly recommend Mila to fans of brilliantly penned fantasy fiction

In Love With A Warrior Kara Griffin, Besotted by the Princess James Gunn knew his heart would forever be hers when she bested him in combat Never had he met a formidable foe such as Emlyn Maybe it was the way her body felt above his when she pinned him and he had no choice to submit to her A love coveted but forbidden Princess Emlyn would allow no man to conquer her on the field especially the arrogant handsome Highlander She wouldn t fall at his feet and worship him He was Godlike in his appearance strong gallant and a protector all the things in a man she thought she despised It was the sensual nights spent in his arms that swayed her desire All it took was one kiss Neither could deny their attraction When Emlyn is betrothed to her clan s enemy to save her people from being besieged she demands James aid The only way to escape her ill fated destiny and have the man of her dreams is to wage war and triumph Not so easy a feat for a warrior such as Emlyn

Love, Language, Place, and Identity in Popular Culture María Ramos-García, Laura Vivanco, 2020-01-31 *Love Language Place and Identity in Popular Culture* Romancing the Other explores the varied representations of Otherness in romance novels and other fiction with strong romantic plots Contributors approaches range from sociolinguistics to cultural studies and the texts analyzed are set on four continents with particular emphasis on Caribbean and Atlantic islands What all the essays have in common is the exploration of representations of the Other be it in an inter racial or inter cultural relationship Chapters are divided into two parts the first examines place travel history and language in 20th century texts while the second explores tensions and transformations in the depiction of Otherness mainly in texts published in the early 21st century This book reveals that even at the end of the 20th century these texts display neocolonialist attitudes towards the Other While more recent texts show noticeable changes in attitudes these changes can often fall short as stereotypes and prejudices are often still present just below the surface in popular novels The understudied field of popular romance in which the Other is frequently present as a love interest proves to be a fruitful area in which to explore the potential and the realities of the treatment of Otherness in popular culture Scholars of literature communication romance and rhetoric will find this book particularly useful
