Abdul Waheed , Today the way some people are trying tirelessly to defame Islam the main question is what humanity is there in the Holy Quran Apart from the followers of Islam there are unsuccessful attempts by some people in most of the religions to defame them Some people ignorant people get misled by not understanding but those who are educated or who have the curiosity to know how true their words are in the end So for that we start investigating the Holy Quran to find out what is the truth But they themselves can understand what the truth is And some people do research with the aim of finding flaws in the Holy Quran but they only get disappointed because if a word has been wrongly propagated then they can understand it by reading the things before and behind that word His confusion goes away This is the specialty of the Holy Quran Please read the verses presented in the Holy Quran in this book so that you can think about them further so that things become clear These are about one and a half thousand years old but they are applicable even today this is its specialty I have great hope that you will benefit from this book and get information I am also a human being I present as much as I understand now you need to understand it Please read and if you notice any shortcomings please let us know Thank you Yours Abdul Waheed Barabanki Uttar Pradesh India **"The Rise of Peace"** Dr Hafiz Shahid Amin, 2014-09-24 A Fiction Novel on World Power Politics A novel of action adventure suspense political and war fiction The novel has been written in the context of present day fast changing political scenario of the world Most important international burning issues have been touched in this novel in the most skillful and careful manner Shall this peace seeking world ever reach the point of the lasting peace There is destruction of all anti peace world forces in attempt to convert this world into a peaceful world All nations live peacefully in the long run People respect each other s religious territorial limits and social taboo This novel is an action and adventure based fiction
