Loves Playbook The Real Story Of Cosmic Love And War:

Love's Playbook Arla Caraboolad, 2014-11-30 Does it make sense to believe in a loving God Even in the face of nature s calamities and human atrocities If God is all good and all powerful why would He allow these Does any of this pain and suffering have meaning How Sacred writings speak of a war between good and evil giving insights into why it started Love s Playbook is a spiritual fantasy built on the outline given the bare bones fleshed out and given breath Fall in love with a God so good and so powerful that evil is allowed to exist and thrive Get the big picture perspective Read and understand why we suffer **Complete Catalog of Plays & Musicals** Dramatic Publishing Company, 2006 *Cosmic Love and War* Jada Ariel Johnson, 2013-04-12 Francis E Smedley once said All is fair in love and war But when youre fighting for love is all really fair I could give away the essence of my being to be with my soul mate or I could let my love die to stay true to myself An impossible choice All I wanted was for her to be back in my arms They promised to let her go She could come home with me but with a price We were left to fight for our lives in this new world How much is love really worth
