Human Resource Management Sinhala:

South African Human Resource Management Ben Swanepoel, 2003 South African Human Resource Management focuses on the knowledge and skills that managers at all levels need. The authors integrate contemporary international research and implementation with a South African perspective. *Enhancing Your Personal Q (UUM Press)* Henarath H.D.N.P.

Opatha, Lim Kong Teong, 2014-08-01 This simplified pioneering innovative book is about how to enhance Personal Quality PQ which is the totality of positive attributes a person must possess in order to achieve success and progress of success at work and personal life. PQ is a sine qua non to generate professionals who will not engage in frauds, corruptions, evil conflicts, assassinations, assaults, retaliations, and wars, and who will contribute to alleviate the plight. Serious reading of the book will make you, the readers, becoming a good citizen of the country, a person of good personal character, a professional who is special, giving from his/her heart in making the world a better place for those whose lives he/she touches, a professional who can make a significant and unique contribution to human development and institutional development, and a professional who has passion and always prepare mentally and physically in continuous learning and self development. *Enhancing Your Personal Q* was designed to provide a systematic and rational understanding of PQ both conceptual and application oriented understanding. It focuses on personal character, personal management, and personal key success factors which are the three dimensions of PQ. The book is an essential reference to everyone who wishes to become an appropriate professional in any field.

Debt Crisis and Popular Social Protest in Sri Lanka S. Janaka Biyanwila, 2023-10-17 Fusing the regional with the global, this book widens its perspective from a distinct national moment to an international interdependency with the power to ripple across every corner of the globe.

Human Resources Management: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2012-05-31 Human resources management is essential for any workplace environment and is deemed most effective when a strategic focus is in place to ensure that people can facilitate that achievement of organizational goals. But effective human resource management also contains an element of risk management for an organization which as a minimum ensures legislative compliance. *Human Resources Management: Concepts, Methodologies, Tools, and Applications* compiles the most sought after case studies, architectures, frameworks, methodologies, and research related to human resources management. Including over 100 chapters from professional, this three volume collection presents an in depth analysis on the fundamental aspects, tools, and technologies, methods, and design applications, managerial impact, social behavioral perspectives, critical issues, and emerging trends in the field, touching on effective and ineffective management practices when it comes to human resources. This multi volume work is vital and highly accessible across the hybrid domain of business and management, essential for any library collection. *Routledge*

Ecology and Biogeography in Sri Lanka C.H. Fernando, 2012-12-06 When the late Professor Joachim Illies suggested in 1980 that I edit a volume of the *Monographiae Biologicae* on Sri Lanka I was glad to accept the challenge Although I had spent only six years of my research and teaching career in Sri Lanka I had made personal contact or corresponded with many scientists who had worked in still work in or who have studied material from Sri Lanka The present domicile of the authors of the chapters in this volume shows the wide geographic spread of interest in Sri Lanka and indicates also the dispersion of Sri Lankan scientists like myself Sri Lanka has had a relatively long history of indigenous scientific research in the natural sciences From the early work of Kelaart 1852 *Prodromous Fauna Zeylanicae* Ceylon Govt Press 250 pp to the present time there has been a more or less sustained research effort in the natural sciences The Colombo Museum which celebrated its centenary only a few years ago and the world famous Peradeniya Botanical Gardens served as repositories and bases for continued research on the fauna and flora There are a number of land marks in these studies Sacred Landscapes, Indigenous Knowledge, and Ethno-culture in Natural Resource Management Suresh Chand Rai, Prabuddh Kumar Mishra, 2024-09-20 This book examines the relationship between sacred landscapes indigenous knowledge ethno culture and natural resource management The volume contributes to the existing literature on landscape studies and cultural geography by examining local perceptions toward multiple aspects of sacred landscape and ethno culture under changing social and economic contexts with case studies from diverse cultural and geographical areas worldwide The book is useful for undergraduate and graduate students policymakers planners park managers and government officials to understand the needs for and natural resources of an area as well as the effect of park policies on people to establish their mutually beneficial relationships Readers learn how to integrate the concept of sacred landscapes indigenous knowledge ethno culture and natural resources management to improve human resilience to global environmental change and to assess the proper development program in resource deprived areas **Directory of Social Scientists in Sri Lanka**, 1994 *The Palgrave International Handbook of Action Research* Lonnie L. Rowell, Catherine D. Bruce, Joseph M. Shosh, Margaret M.

Riel,2016-10-26 The Palgrave International Handbook of Action Research offers a vivid portrait of both theoretical perspectives and practical action research activity and related benefits around the globe while attending to the cultural political social historical and ecological contexts that localize shape and characterize action research Consisting of teachers youth workers counselors nurses community developers artists ecologists farmers settlement dwellers students professors and intellectual activists on every continent and at every edge of the globe the movement sustained and inspired by this community was born of the efforts of intellectual activists in the mid twentieth century specifically Orlando Fals Borda Paulo Freire Myles Horton Kurt Lewin Cross national issues of networking as well as the challenges tensions and issues associated with the transformative power of action research are explored from multiple perspectives providing unique contributions to our understanding of what it means to do action research and to be an action researcher This handbook sets a global action research agenda and map for readers to consider as they embark on new projects Water-related Environmental Factors

and Malaria Transmission in Mahi Kadana, Gujarat, India , **Blended Learning for Inclusive and Quality Higher Education in Asia** Cher Ping Lim,Charles R. Graham,2021-02-22 This book demonstrates how blended learning improves access to and enhances the quality of higher education teaching and learning in Asian universities It first discusses how leading universities in the region drive and support blended learning at the institutional level to enhance student learning engagement and outcomes It then examines 10 effective implementations and lessons learned of blended learning practices across different disciplinary courses and programmes humanities and language science and engineering social science and education and others in the region The chapters in this book provide an overview of the opportunities and challenges of blended learning for improved access and enhanced quality of higher education and offer insights into the promising blended learning policies and practices in Asian universities **Unsettled Legitimacy** Steven Bernstein,William D.

Coleman,2010-07-01 Globalization has challenged taken for granted relationships of rule in local regional national and international settings This unsettling of legitimacy raises questions Under what conditions do individuals and communities accept globalized decision making as legitimate And what political practices do individuals and collectivities under globalization use to exercise autonomy To answer these questions the contributors to Unsettled Legitimacy explore the disruptions and reconfigurations of political authority that accompany globalization Arguing that we live in an era in which political legitimacy at multiple scales of authority is under strain they show that globalization has also created demands for regulation security and the protection of rights and expressions of individual and collective autonomy within and across multiple political and geographic spaces Instead of offering simplistic arguments for or against global governance enhanced democracy or economic integration the contributors provide a sophisticated examination of the complexities of legitimacy and autonomy in a globalizing world **Wilderness of Wildlife Tourism** Johra Kayeser Fatima,2017-05-08 Wildlife tourism is a growing multimillion dollar industry within the hospitality and tourism industry Wildlife tourism in its simplest sense is

the creation of tour packages for watching wild animals in their natural habitats and is particularly important in African and South American countries Australia India Canada Indonesia Bangladesh Malaysia Sri Lanka and Maldives among others This new book brings together the best voices in the field of wildlife tourism and provides a key understanding of wildlife tourism It explores many important aspects of wildlife to date with related implications for various sectors such as technology education corporations and policymaking
