Humanism and Embodiment Susan E. Babbitt, 2014-08-14 A live issue in anthropology and development studies humanism is not typically addressed by analytic philosophers Arguing for humanism as a view about truths Humanism and Embodiment insists that disembodied reason not religion should be the target of secularists promoting freedom of enquiry and human community Susan Babbitt s original study presents humanism as a meta ethical view paralleling naturalistic realism in recent analytic epistemology and philosophy of science Considering the nature of knowledge particularly the radical contingency of knowledge claims upon causal mechanisms religious thinkers like Thomas Merton and Ivan Illich offer more scientific conceptions of practical deliberation than are offered by some non religious ethicists Drawing on philosophical sources such as Marxism Buddhism and Christianity this original study considers implications of an embodied conception of reason revealing philosophical practical and political implications *Humanism and Embodiment* Susan E. Babbitt, 2014-06-19 A live issue in anthropology and development studies humanism is not typically addressed by analytic philosophers Arguing for humanism as a view about truths Humanism and Embodiment insists that disembodied reason not religion should be the target of secularists promoting freedom of enquiry and human community Susan Babbitt s original study presents humanism as a meta ethical view paralleling naturalistic realism in recent analytic epistemology and philosophy of science Considering the nature of knowledge particularly the radical contingency of knowledge claims upon causal mechanisms religious thinkers like Thomas Merton and Ivan Illich offer more scientific conceptions of practical deliberation than are offered by some non religious ethicists Drawing on philosophical sources such as Marxism Buddhism and Christianity this original study considers implications of an embodied conception of reason revealing philosophical practical and political implications Embodied Humanism Jeff Noonan, 2022-08-16 There are many answers to the question of why life is worth living but they all presuppose that good lives are sensuously enjoyable Time seems to stand still in the moment when we enjoy food and drink peaceful laughing relationships with friends or lay quietly allowing the beauty of nature and human creations to unfold before us Embodied Humanism Toward Solidarity and Sensuous Enjoyment explores ways that enjoyment is also political The history of political struggle is a history of fighting back against silencing hunger and violent domination but also fighting for social peace need satisfaction voice and democratic power Tracing the values of embodied humanism across history and across cultures and identities the book finds a more comprehensive universal humanist ethic around which old and emerging struggles can be unified Ultimately Jeff Noonan argues these struggles can be directed towards creating institutional structure and individual dispositions that will secure the social conditions in which our capacities for receptive openness and delight are satisfied for each and all **Chinese Gong Fu** R.F. Gonzalez, 2019-10-17 Gong fu the indigenous martial art of China was exported into American popular culture through numerous kung fu movies in the 20th century Perhaps the most renowned of the martial arts in the U S gong fu remains

often misunderstood perhaps because of its esoteric practices that include aspects of Daoism Confucianism Buddhism and other syncretic elements Using the science of embodiment the study of the interaction between body mind cognition behavior and environment this book explores the relationships among practitioner praxis spirituality philosophy and the body in gong fu Drawing on familiar routines films artifacts and art the author connects the reader to ancient Chinese culture philosophy myth shamanism and ritual

**Early Buddhism as Philosophy of Existence** Susan E. Babbitt,2022-05-10 The Buddha was what today is called an empirical philosopher taking his philosophy from careful study of the empirical world and rejecting high flown philosophies As philosophy of existence his view overlaps with Marx in his most interesting form which is not the way Marx is typically understood Marx was reduced to economics while the Buddha was reduced to religion Many shared his view including Dostoevsky Proust and Victor Hugo Death is present in such views But they are not recognized as philosophy
