# Humanitarian Intervention And International Relations

## Humanitarian Intervention And International Relations

**Yan Bai**

## **Humanitarian Intervention And International Relations Humanitarian Intervention And International Relations:**

**Humanitarian Intervention and International Relations** Jennifer M. Welsh, 2004 The issue of humanitarian intervention has generated one of the most heated debates in international relations since 1990 among both theorists and practitioners This volume investigates the controversial place of humanitarian intervention in the theory and practice of international relations

**Humanitarian intervention in the long nineteenth century** Alexis Heraclides, Ada Dialla, 2015-07-01 This electronic version has been made available under a Creative Commons BY NC ND open access license This book is a comprehensive presentation of humanitarian intervention in theory and practice during the course of the nineteenth century Through four case studies it sheds new light on the international law debate and the political theory on intervention linking them to ongoing issues and paying particular attention to the lesser known Russian dimension The book begins by tracing the genealogy of the idea of humanitarian intervention to the Renaissance evaluating the Eurocentric gaze of the civilisation barbarity dichotomy and elucidates the international legal arguments of both advocates and opponents of intervention as well as the views of major political theorists It then goes on to examine four cases as humanitarian interventions the Greek War of Independence 1821 31 the Lebanon and Syria 1860 61 the Bulgarian atrocities 1876 78 and the U S intervention in Cuba 1895 98 Humanitarian intervention in the long nineteenth century will be of benefit to scholars and students of international relations international history international law and international political theory

*Ethical Foreign Policy?* Chih-Hann Chang, 2016-05-13 While the 1990s gave rise to a wealth of literature on the notion of ethical foreign policy it has tended to simply focus on a version of realism which overlooks the role of ethics in international affairs lacking an empirical analysis of foreign policy decision making with relation to ethical values in the post Cold War period This book addresses this gap in the literature by exploring ethical realism as a theoretical framework and in particular by looking at US humanitarian interventions at an empirical level to analyse ethical foreign policy in practice Furthermore it moves beyond the debate on legality or legitimacy of humanitarian interventions and focuses on whether a state would intervene for humanitarian purposes Chang provides a deeper understanding of ethical foreign policy in theory and practice by applying ethical realism as a theoretical framework to evaluate the Clinton administration s foreign policy on humanitarian intervention She addresses concepts of moral leadership and pragmatic foreign policy in the field of international relations in general and foreign policy analysis in particular

**Humanitarian Intervention and Political Support for Interstate Use of Force** Cyrille J.C.F. Fijnaut, Joris Larik, 2020-11-30 When can a state give political support to a military intervention in another state The Government of the Netherlands commissioned an international Expert Group composed of eminent members from the fields of international law international relations and diplomacy The Expert Group s objective was to examine this complex topical and time sensitive question and to consider whether the government should press for international acceptance of humanitarian intervention as a new legal basis for the use of force between states in exceptional

circumstances This volume is the result of those efforts The Expert Group was led by Professor Cyrille Fijnaut and consisted of Mr Kristian Fischer Professor Terry Gill Professor Larissa van den Herik Professor Martti Koskeniemi Professor Claus Kre Mr Robert Serry Ms Monika Sie Dhian Ho Ms Elizabeth Wilmshurst and Professor Rob de Wijk Their thorough analysis and recommendations offer important insights that can aid governments in formulating a position on political support for the use of force between states and humanitarian intervention The volume also constitutes a useful tool for scholars and practitioners in considering these difficult and important issues From the Foreword by Stef Blok Minister of Foreign Affairs of the Netherlands The Expert Group s thorough analysis and recommendations on this complex subject offer important insights that can aid the government in formulating its position on political support for the use of force between states and humanitarian intervention In drawing up this advisory report the Expert Group has helped the government develop a new contemporary vision on these issues

**Doing Good and Doing Well** Stephen A. Garrett, 1999-09-30 Garrett deals with the issue of humanitarian intervention of which the recent Kosovo conflict provides a prime example Even though the writing of this book was completed before NATO began its intervention on behalf of the Kosovars the book provides a valuable background for assessing the Kosovo issue it lays out the history of previous humanitarian interventions and analyzes the controversies surrounding them Garrett provides a sophisticated framework by which such interventions can be evaluated both morally and pragmatically His book offers some particularly relevant material on the American role in humanitarian interventions This book is valuable for those who wish to make sense of the pros and cons of humanitarian efforts in international hot spots like Kosovo After an analysis of the legal and philosophical issues bearing on the idea of humanitarian intervention defined as the use of force by one or more states to remedy severe human rights abuses in a particular country this study focuses upon the moral duties that individual members of the international community have toward the welfare of others Recent events have indicated that humanitarian intervention will likely play a larger role in international relations in the future Examples in the contemporary period include Kosovo Somalia Liberia Haiti the Kurds in Iraq Uganda and East Pakistan This book emphasizes the role of the United States in humanitarian intervention and argues that increased American involvement is essential Garrett suggests that the American people as a whole may be more prepared to see the United States take an active role in humanitarian intervention than are certain media and government elites Strong national leadership that stresses the moral duty of the United States will be necessary to tap this latent altruism in order to contribute to higher standards of international human rights Individual topics include assessment criteria for the moral legitimacy of intervention unilateral versus multilateral efforts and factors that appear to persuade or dissuade states from participating in such intervention This volume focuses on certain themes and patterns in humanitarian intervention which are then illustrated by using historical data taken from a variety of different examples

*Humanitarian Intervention* Thomas G. Weiss, 2012-04-09 A singular development of the post Cold War era is the use of military force to protect human beings From

Rwanda to Kosovo Sierra Leone to East Timor soldiers have rescued civilians in some of the world's most notorious war zones Drawing on two decades of research Thomas G Weiss provides a compelling introduction to the theory and practice of humanitarian intervention in the modern world He examines political ethical legal strategic economic and operational dimensions and uses a wide range of cases to highlight key debates and controversies This succinct and highly accessible survey is neither celebratory nor complacent The author locates the normative evolution of what is increasingly known as the responsibility to protect in the context of the war on terror and the 2005 UN World Summit The result is an engaging exploration of the current dilemmas and future challenges for international humanitarian action in the 21st Century Provided by publisher *Humanitarian Intervention and the United Nations* Norrie MacQueen, 2011-03-24 Explores the UN's track record of military action from cold war brushfire peacekeeping to the fractured globalisation of the contemporary world MacQueen assesses armed humanitarian intervention on a region by region basis from the Balkans to Africa the Middle East to Southeast Asia Using empirical evidence he compiles a balance sheet of the UN's successes and failures and asks hard questions about humanitarian intervention's short and long term value Presents a concise analytical overview of the theoretical moral and practical issues Case study chapters on sub-Saharan Africa the Balkans and East Timor Confronts hard questions about the short and long term value of these interventions *Humanitarian Intervention* J. L. Holzgrefe, Robert O. Keohane, 2003-02-13 An interdisciplinary approach to humanitarian intervention by experts in law politics and ethics

*World Orders in the Making* Jan Nederveen Pieterse, 2016-07-27 Humanitarian action confronts us with the dilemmas of international relations in the age of globalization The approach in this book is holistic comparative and analytical Humanitarian intervention is considered from the point of view of political economy public administration international relations international law the military political theory sociology culture and media studies Chapters discuss experiences across Bosnia Rwanda Somalia Iraq Haiti and other cases if we are moving towards global governance humanitarian intervention is part of this motion It is a harbinger of a new global politics which is all the more reason to consider it scrupulously **Humanitarian Intervention: "Why do states intervene in some humanitarian crises and not others?"** Sebastian Plappert, 2010-07-19 Essay from the year 2007 in the subject Politics Topic Peace and Conflict Security grade Distinction Macquarie University course IRPG 840 The International System language English abstract This paper will argue that the decision to intervene or not depends on political will to do so which itself derives from a correlation between anticipated costs and benefits Intervention will occur only when under consideration of all factors the benefits outweigh the costs After a brief review of cold war conditions this essay will concentrate on key factors which influence political will for humanitarian intervention in the post cold war era All factors will be considered by supportive cases compared to Rwanda as an example for lacking political will **Ethical Foreign Policy?** Chih-Hann Chang (Dr), 2013 Chang provides a deeper understanding of ethical foreign policy in theory and practice by providing an in depth study of ethical realism and examining

US humanitarian interventions She addresses concepts of moral leadership and pragmatic foreign policy in the field of international relations in general and foreign policy analysis in particular **Humanitarian Intervention and the Responsibility To Protect** James Pattison,2010-02-25 This book considers who should undertake humanitarian intervention in response to an ongoing or impending humanitarian crisis It develops a normative account of legitimacy to assess not only current interveners but also the desirability of potential reforms to the mechanisms and agents of humanitarian intervention

**Journal of the International Relations and Affairs Group, Volume V, Issue I** Daniel Evans,2015-07-19 The International Relations and Affairs Group supports research in foreign affairs and global issues among states within the international system including the roles of states inter governmental organizations IGOs non governmental organizations NGOs and multinational corporations MNCs We focus on geopolitical analysis globalization and international policy issues and apply qualitative and quantitative analysis Our focus is analyzing as well as formulating solutions to issues with foreign policy cultural interaction crisis and other We have a network of over 65 500 members globally JIRAG welcomes submissions on the following topics Geopolitical Analysis Homeland Security National Security Globalization Conflict Resolution Commerce Law Diplomacy Intelligence Community Negotiation Government Defense Warfare Business Public Policy Terrorism Crime Economic Trade NGO s MNC s Disaster Culture Human Trafficking and other related topics

*Unauthorised Humanitarian Interventions in World Politics* Christian Pohlmann,2021 The question if states should intervene in massive humanitarian emergencies without a legal right to do so is still object of an important debate in the theory and practice of international relations This situation has not changed with the emergence of the Responsibility to Protect norm which stopped short of a right to intervene without a Security Council authorisation The book assesses the impact of such unauthorised humanitarian interventions on international society and regions it is written in the context of the English School of International Relations Based on empirical studies the author argues that they can be progressive constructive for international order if conducted with explicit legitimacy integrity and great power participation The argument is based on the analysis of six cases conducted between 1946 and 2005 Specific consideration is given to the cases of Liberia 1990 and Kosovo 1999 In sum the book contributes to the solidarism pluralism debate and the discourse on humanitarian interventions About the Author Christian Pohlmann is Lecturer Lehrkraft f r besondere Aufgaben at the Institute of Political Science at the University Duisburg Essen Germany He researches on the English School of International Relations humanitarian interventions and R2P international law and terrorism **A New Science of International**

**Relations** Damian Popolo,2011 Foucauldian methodology is here applied to Complexity Science in order to generate a new understanding of International Relations particularly to the conflict in Kosovo The book shows how theoretical issues inform understandings of crisis leading to decisions in the real world of international policy making **Moral Obligations and Sovereignty in International Relations** Andrea Paras,2018-12-07 How has contemporary humanitarianism become the

dominant framework for how states construct their moral obligations to non citizens To answer this question this book examines the history of humanitarianism in international relations by tracing the relationship between transnational moral obligation and sovereignty from the 16th century to the present Whereas existing studies of humanitarianism examine the diffusion of such norms or their transmission by non state actors this volume explicitly links humanitarianism to the broader concept of sovereignty Rather than only focusing on the expansion of humanitarian norms it examines how sovereignty both challenges and sets limits on them Humanitarian norms are shown to act just as much to reinforce the logic of sovereignty as they do to challenge it Contemporary humanitarianism is often described in universalist terms which suggests that humanitarian activity transcends borders in order to provide assistance to those who suffer In contrast this book suggests a more counterintuitive and complex understanding of moral obligation namely that humanitarian discourse not only provides a framework for legitimate humanitarian action but it also establishes the limits of moral obligation It will be of great interest to a wide audience of scholars and students in international relations theory constructivism and norms and humanitarianism and politics

[Saving Strangers](#) Nicholas J. Wheeler, 2000-09-08 The extent to which humanitarian intervention has become a legitimate practice in post cold war international society is the subject of this book It maps the changing legitimacy of humanitarian intervention by comparing the international response to cases of humanitarian intervention in the cold war and post cold war periods Crucially the book examines how far international society has recognised humanitarian intervention as a legitimate exception to the rules of sovereignty and non intervention and non use of force While there are studies of each case of intervention in East Pakistan Cambodia Uganda Iraq Somalia Rwanda Bosnia and Kosovo there is no single work that examines them comprehensively in a comparative framework Each chapter tells a story of intervention that weaves together a study of motives justifications and outcomes The legitimacy of humanitarian intervention is contested by the pluralist and solidarist wings of the English school and the book charts the stamp of these conceptions on state practice Solidarism lacks a full blown theory of humanitarian intervention and the book supplies one This theory is employed to assess the humanitarian qualifications of the cases of intervention analysed in the book and this normative assessment is then compared to the moral practices of states A key focus is to examine how far humanitarian intervention as a legitimate practice is present in the diplomatic dialogue of states In exploring how far there has been a change of norm in the society of states in the 1990s the book defends the broad based constructivist claim that state actions will be constrained if they cannot be legitimated and that new norms enable new practices but do not determine these The book concludes by considering how far contemporary practices of humanitarian intervention support a new solidarism and how far this resolves the traditional conflict between order and justice in international society

*Humanitarian Intervention* Aidan Hehir, 2013-04-02 A broad ranging introduction to the theory practice and politics of humanitarian intervention in the contemporary world Recent events in Libya and Syria have propelled humanitarian intervention to the top of the international political agenda This book provides

the definitive introduction to the key issues and theories surrounding this important and popular area of study New to this Edition Fully updated and includes a new chapter on Libya and the Arab Spring Chapters on theory modernised to reflect changes in scholarship Routledge Handbook of Peace, Security and Development Fen Osler Hampson, Alpaslan Özerdem, Jonathan Kent, 2020-06-04 This Handbook offers a comprehensive examination of the peace security and development nexus from a global perspective and investigates the interfaces of these issues in a context characterised by many new challenges By bringing together more than 40 leading experts and commentators from across the world the Handbook maps the various research agendas related to these three themes taking stock of existing work and debates while outlining areas for further engagement In doing so the chapters may serve as a primer for new researchers while also informing the wider scholarly community about the latest research trends and innovations The volume is split into three thematic parts Concepts and approaches New drivers of conflict insecurity and developmental challenges Actors institutions and processes For ease of use and organisational consistency each chapter provides readers with an overview of each research area a review of the state of the literature a summary of the major debates and promising directions for future research This Handbook will be of much interest to students of peace and conflict studies development studies security studies and International Relations Rethinking Humanitarian Intervention in the 21st Century Aiden Warren, 2017-06-02 Since the end of the Cold War humanitarian interventions have continued to evolve and respond to a wide range of political crises These insightful essays focus on the challenges associated with interventions when facing conflict and human rights violations unmitigated systematic violence state re building human mobility and dislocation Each chapter is linked to the rest through three defining themes that permeate the book the evolution of humanitarian interventions in a global era the limits of sovereignty and the ethics of interventions and the politics of post intervention re building and humanitarian engagement The authors incorporate a variety of case studies including Kosovo Timor Leste Syria Libya and Iraq and examine the complexity of interventions across their different dimensions including relevant doctrines such as R2P Use of Force and Human Security

### **Humanitarian Intervention And International Relations Humanitarian Intervention And International Relations Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Humanitarian Intervention And International Relations Humanitarian Intervention And International Relations free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Humanitarian Intervention And International Relations Humanitarian Intervention And International Relations free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Humanitarian Intervention And

International Relations Humanitarian Intervention And International Relations free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Humanitarian Intervention And International Relations Humanitarian Intervention And International Relations. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Humanitarian Intervention And International Relations Humanitarian Intervention And International Relations any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Humanitarian Intervention And International Relations Humanitarian Intervention And International Relations Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
