Hunger Games Curriculum Guide

Stacy Littleton, Catherine Caldwell

Hunger Games Curriculum Guide:

The Hunger Games Mary Elizabeth, 2014-03 To be used as a teaching guide for *The Hunger Games* this Challenging Level Teaching Guide focuses on a variety of reading strategies that can help students construct meaning from their experience with literature as well as make connections between reading and the rest of their lives The Challenging Level offers literature grouped by strands Community Strand and Journey Strand While no work of literature has only one theme or strand these groupings provide a reference to focus student attention Each chapter analysis includes Journal and Discussion Topics Vocabulary and Chapter Summaries Other features include Strategy Pages Testing and the Writer s Forum Each book contains an answer key *The Hunger Games Novel Units Teacher Guide* Linda Herman, Novel Units, 2019-07-15 Presents resources for teaching *The Hunger Games* in which sixteen year old Katniss Everdeen becomes a contender in the annual Hunger Games a competition where young boys and girls are pitted against one another in a televised fight to the death including a summary a profile of the author pre reading and culminating activities and vocabulary exercises and discussion questions Collecting for the Curriculum Amy J. Catalano, 2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials

Hunger Games Stacy Littleton, Catherine Caldwell, 2011 **Integrative and Interdisciplinary Curriculum in the Middle School** Lisa Harrison, Ellis Hurd, Kathleen Brinegar, 2020-02-24 Originally published as a special issue of the Middle School Journal this book presents integrative curriculum as a foundational element of the middle school By addressing the current gap in literature on curriculum integration in the middle grades this text explores how learning can be organized around authentic concepts or questions which cut across disciplines and speak to young adolescents Providing a current nuanced and comprehensive review of what it means to embrace and implement an interdisciplinary and integrative

curriculum the volume considers how educators can create and deliver a high quality integrative curriculum which is enjoyable challenging and inclusive Examples of implementation in teacher preparation programs and middle grade classrooms showcase integrative approaches and illustrate how curricula have been key in tackling social inequities increasing engagement with STEM and supporting collaboration This text will be of great interest to graduate and postgraduate students researchers academics and libraries in the field of Middle School Education Curriculum Studies Teacher Education Theories of Learning and STEM Education

Teaching Literature to Adolescents Richard Beach, Deborah Appleman, Bob Fecho, Rob Simon, 2016-03-10 This popular textbook introduces prospective and practicing English teachers to current methods of teaching literature in middle and high school classrooms It underscores the value of providing students with a range of different critical approaches and tools for interpreting texts and the need to organize literature instruction around topics and issues of interest to them Throughout the textbook readers are encouraged to raise and explore inquiry based questions in response to authentic dilemmas and issues they face in the critical literature classroom New in this edition the text shows how these approaches to fostering responses to literature also work as rich tools to address the Common Core English Language Arts Standards Each chapter is organized around specific questions that English educators often hear in working with pre service teachers Suggested pedagogical methods are modelled by inviting readers to interact with the book through critical inquiry methods for responding to texts Readers are engaged in considering authentic dilemmas and issues facing literature teachers through inquiry based responses to authentic case narratives A Companion Website <http://teachingliterature.pbworks.com> provides resources and enrichment activities inviting teachers to consider important issues in the context of their current or future classrooms

The Handbook of Secondary

Gifted Education Felicia A. Dixon, Sidney M. Moon, 2021-09-03 The second edition of this groundbreaking textbook is designed to help education professionals interested in building effective and comprehensive educational opportunities for gifted secondary students The Handbook of Secondary Gifted Education offers an in depth research based look at ways schools and classrooms can support the development of gifted adolescents The book is the most comprehensive critical resource on this topic available Each chapter of this educational resource is written by leading scholars and researchers in the field The second edition includes sections on STEM CCSS alignment and 21st century skills along with discussion of working with secondary students in various content areas The purpose of the book is to provide a research based handbook that views gifted adolescents and their needs as the starting point for building an effective integrated educational program

Teaching Challenging Texts Lawrence Baines, Jane Fisher, 2013-06-27 Teaching Challenging Texts shows how to increase reading comprehension and enhance student engagement even with the most challenging texts Every chapter features ready to use research based lessons replete with explicit instructions handouts Common Core correlations and assessments Exploring the Future features fiction by George Orwell Suzanne Collins and William Golding nonfiction by Philip

Zimbaro Stephen Pinker Abraham Lincoln Jared Diamond Dan Ariely and Ray Kurzweil images from several films an old television commercial and classical and contemporary music Understanding the Power of One features fiction by Victor Hugo and Lori Halse Anderson nonfiction by Phillis Wheatley Sojourner Truth and Edith Hamilton a young adult book on archaeology an animated film from Walt Disney and an episode from Saturday Night Live An extensive list of free resources and correlations to the Common Core allow teachers to teach on the cheap Teaching Difficult Texts brims with relevant and robust lessons for a new generation *Teaching to Learn, Learning to Teach* Alan J. Singer, 2013-07-24 Teaching to Learn Learning to Teach uniquely addresses three problems that frequently concern pre service and beginning teachers classroom control satisfying state and federal mandates and figuring out exactly what is the role of the teacher Integrating practical theoretical and critical teaching considerations it presents a model student centered approach for designing lessons developing personal connections with students and building classroom communities PRO CLASS Practices Planning Relationships Organization Community Leadership Assessment Support Struggle Pre service teachers are encouraged to reinterpret the principles and continually redefine them as they develop their own reflective practice Changes in the Second Edition Updates throughout with attention to the Common Core State Standards high stakes testing the possibilities and limitations of technology use in the classroom and preparing for the job market Fully revised chapter on literacy New interviews with teachers Companion Website Supplemental planning teaching and assessment materials 32 extended essays including a number of the author's widely read Huffington Post columns interviews with beginning and veteran teachers Ideas for Your Professional Portfolio Resume and Cover Letter Recommended Websites for Teachers **The Hunger Games: An Instructional Guide for Literature** Charles Aracich, 2016-07-01 The Hunger Games An Instructional Guide for Literature provides lesson plans and activities for this popular Young Adult fiction novel This valuable resource guides teachers with ways to add rigor with complex literature Text dependent questions help students analyze the text with higher order thinking skills with lessons focused on story elements vocabulary and more Close reading activities throughout the literature units encourages students to use textual evidence as they revisit passages to respond more critically With various methods of assessing comprehension this instructional guide offers strategies for cross curricular activities as students build a greater understanding of this great literary work **Who Owns Katniss Everdeen's Body in the Hunger Games?** Katie Vellanoweth, 2014 The rise of female protagonists in contemporary young adult fiction positively and negatively impacts young adult readers Nilson Donelson 2009 Suzanne Collins novel The Hunger Games 2008 highlights Katniss Everdeen who is a strong independent female protagonist Millions of young adult females identify with Katniss as they read the novel Latham Hollister 2013 The extreme lack of gender equity training for educators creates inequities in classrooms Carinci 2007 Many teachers are ignorant of the negative impact this bias has on the education and self esteem of girls in the classroom Sadker Saker 1986 The absence of gender equity training causes current Hunger Games curriculum guides to be gender

biased This bias creates problematic notions of gender for educators who teach The Hunger Games and young adults who read the text Educators primarily middle school teachers need assistance when discussing The Hunger Games with students The employment of the curriculum guide helps teachers counter gender bias in current published curriculum and perpetuate a gender inclusive message in their classrooms The curriculum guide provides teachers with essential topics to discuss about The Hunger Games Possible responses also help adults and young adults celebrate both female and male characters in the text equally The guide also assists educators in identifying problematic gender stereotypes in the novel that can harm young adult readers Gender equity training would vastly benefit educators and students Carinci 2007 Only when educators are trained in gender equity can they recognize their own gender bias The goal of this project was to help educators have gender equitable discussions with young adults who read Suzanne Collins novel The Hunger Games The curriculum guide Appendix C is comprised of direct quotations post reading questions and possible responses Providing direct quotation from The Hunger Games allows educators to ask questions in context of the novel Post reading discussion questions are designed to be open ended and stimulate conversations between adults and adolescent readers Finally possible responses prepare educators to talk about issues of gender in the novel

Teaching Young Adult Literature Mike Cadden, Karen Coats, Roberta Seelinger Trites, 2020-04-01 Offers pedagogical techniques for teaching classic and contemporary young adult YA literature and texts about growing to adulthood Addresses issues of selecting classroom texts building cultural awareness responding to censorship and reading both emotionally and critically Gives syllabus suggestions for undergraduate and graduate courses in literature education and library science
