Pynes, 2013-07-01 Since the first edition was published in 1997 Human Resources Management for Public and Nonprofit Organizations has become the go to reference for public and nonprofit human resources professionals Now in its fourth edition the text has been significantly revised and updated to include information that reflects changes in the field due to the economic crisis changes in federal employment laws how shifting demographics affect human resources management the increased use of technology in human resources management practices how social media has become embedded in the workplace and new approaches to HRM policy and practice Written by Joan E Pynes a noted expert in public administration this authoritative work shows how strategic human resources management is essential for managing change in an increasingly complex environment The book Includes new material on workplace violence and employee discipline Reviews updates on the legal environment of HRM Contains suggestions for managing a diverse workforce Offers a wealth of revised tables and exhibits Updates the most recent developments in collective bargaining in the public and nonprofit sectors Outlines the most current approaches to recruitment and selection Presents an overview of recent information on compensation and benefits Gives an update of the technological advances used for strategic human resources management Provides examples of HRM policies from other countries The book also includes an enhanced instructor s guide with examination questions PowerPoint slides experiential exercises and video vignettes that are coordinated with chapters in the book *The Handbook of Human Resource Management Policies and Practices in Asia-Pacific Economies* Michael Zanko, 2002 There is considerable rigour behind the work and the contexts are well positioned The books have excellent HR data for not only businesses but employees considering a transfer to an international location In addition to the primary authors cadres of industry advisors were assembled of considerable status and representing mainstream organisations and unions The countries covered total twenty one and in addition there is a summary chapter in volume two on issues trends and implications Obviously there are other reference points available on single countries and indeed dual country comparisons but this work is timely highly relevant and extremely valuable It is recommended most highly Geoffrey N De Lacy Australian Human Resource Institute Journal A very welcome and valuable addition to the literature this two volume handbook covers current HRM policies and practices in all 21 APEC Asia Pacific Economic Cooperation member economies For the first time we have single source access to a codified set of macro level HRM profiles for APEC membership economies this project helps fill the need for systematic and accurate HRM data in a very large geographic area including four continents divided by the Pacific Ocean this is an

impressive compilation and will benefit government and business organizations when formulating strategy for employment relations. It will also assist those in the academic sector with the research and teaching of cross cultural management issues. It should be a welcome addition to most academic and special libraries with interests in the Asia and the Pacific. David A. Flynn, Business Information Alert. It is becoming increasingly recognised that the way in which human resources are managed is a key source of sustainable competitive advantage for business. Nowhere, Michael Zanko argues, is this seen to be more relevant than in the Asia Pacific region. The aim of the Handbook and its systematically codified economy human resource management HRM profiles is to improve knowledge and understanding of HRM policy and practices in the Asia Pacific region. It serves as a practical guide to predominantly macro level HRM policies and practices in ten APEC economies covering Australia, Chinese Taipei, Taiwan, Hong Kong, Indonesia, Japan, Korea, Malaysia, People's Republic of China, Thailand and the United States of America. The Handbook of Human Resource Management Policies and Practices in Asia Pacific Economies, Volume I, will be essential reading for lecturers, researchers, academics and managers concerned with human resource management, international business management and cross cultural studies. The Handbook will also be of great interest to those involved in industrial and employment relations.
