## **Humes Philosophy Of Belief Routledge Revivals A Study Of His First Inquiry:**

**Hume's Philosophy of Belief (Routledge Revivals)** Antony Flew, 2013-11-05 First published in 1961 this book considers Hume's request to be judged solely by the acknowledged works of his maturity. It focuses on Hume's first Inquiry in its own right as a separate book to the likes of his other works such as the Treatise and the Dialogues which are here only used as supplementary evidence when necessary. This approach brings out as Hume himself quite explicitly wished to do the important bearing of his more technical philosophy on matters of religion and of world outlook generally. Be a philosopher but amidst all your philosophy be still a man. *Hume's Philosophy of Belief: a Study of His First Inquiry* Antony Flew, 1969

**Dialogues and Natural History of Religion** David Hume,1998 David Hume is the greatest and also one of the most provocative philosophers to have written in the English language No philosopher is more important for his careful critical and deeply perceptive examination of the grounds for belief in divine powers and for his sceptical accounts of the causes and consequences of religious belief expressed most powerfully in the Dialogues Concerning Natural Religion and The Natural History of Religion The Dialogues ask if belief in God can be inferred from the nature of the universe or whether it is even consistent with what we know about the universe The Natural History of Religion investigates the origins of belief and follows its development from harmless polytheism to dogmatic monotheism Together they constitute the most formidable attack upon the rationality of religious belief ever mounted by a philosopher This edition also includes Section XI of The Enquiry Concerning Human Understanding and a letter concerning the Dialogues as well as particularly helpful critical apparatus and abstracts of the main texts enabling the reader to locate or relocate key topics     *Hume's Theory of the Understanding* Ralph W. Church,2019-04-25 This book first published in 1935 is an examination of Hume s theories of causal
