

## THE HUNGER GAMES DISCUSSION QUESTIONS

### PART II QUESTIONS

1. Peeta says that he doesn't want to see himself once the Games begin and that he wants to prove he's not just a "piece in their Games." What does he mean by this?
2. What is the purpose of a district token? Can you think of any events in real life where people might bring a token with them? Explain.
3. How will the Capitol and audience be able to locate the tributes in the arena? What does this remind you of?
4. How do you feel about Capitol residents touring the past arena? How does it make Katniss feel? Can you think of places that people visit often to that might be similar to the Hunger Games arena? Why do people visit them? Are we any different than the Capitol residents in this regard? Why or why not?
5. Would you join an arena or play the games on your own? Why?
6. Where are the cameras? They aren't visible to Katniss, therefore they aren't visible to the readers. Where do you think they are hidden? Or are they so high-tech that they are invisible? Elaborate.
7. What is the Capitol's attitude about living things? What about their creations, like the mutations? The Capitol people/government left the male jabberjays to die out and did not destroy the tracker jacker nests around the districts (only those near the Capitol). What does this say about the Capitol?
8. Peeta aligns with the Careers and Katniss eventually aligns with Rue. What are the benefits of alliances? What are the downsides?
9. How do the conditions in District 11 differ from those in District 12? Explain.
10. Why doesn't the Capitol want the viewers to learn about the other district? How does it benefit the Capitol?
11. Why does Rue like mockingjays? Why does Katniss like mockingjays? How are the two girls similar to the bird?
12. Describe the Careers' survival skills. In what ways are they superior to Katniss and the other tributes? In what ways are they lacking?
13. What does the word "nye" mean? What does it mean to "live the day"? How is this symbolic of the events at the end of part II?
14. If Katniss had given Rue her knife when they separated, would things have turned out differently for Rue? Why or why not?
15. Analyze the meadow song Katniss sings to Rue. She says it's often sung to crying babies (think about "Rock-a-bye, Baby" or other lullabies). How does the song fit the moment? How does it relate to Rue?
