Hotel Owners Manual

“Exploring better ways to open and run new hotels”

Preface

In view of the exponential growth, now is the time to help the hotel industry transform itself and embrace project management as a strategic competence. Hotel Owners Manual is for those who manage hotel opening projects, including hotel project developers, hotel management company Head, hotel owners and asset managers, hotel vendors...all the way to hotel educational institutions. It explains that the traditional approaches to opening new hotels do not work efficiently, cause delay after delay, and cannot be scaled, thus new, more effective strategies are required.

Book reveals the enormous opportunity available to hotel owners, operators, and their professional advisors by adopting the formal project management practices

The Indian hotel industry is experiencing unprecedented growth. Over the next Ten years, without a project and operations management approach, this will not be possible. In this book, author Gajanan Shirke-MIH considers the plans for future hotel operation in India, illustrate the scale of the problem, analyzes why traditional approaches will not be able to facilitate, and why project management methodologies are the best way forward.

Hotel Owners Manual will help you build a foundation for success in meeting deadlines for the hospitality industry, development.
