Room service or in-room dining is a particular type of service provided by hotel, resort or even cruise ship which offers guests to choose menu items for delivery directly to their room for consumption, there served by staff. In most cases, room service department is organized as a sub-division of Food & Beverage department. Usually, motels and low to mid-range hotels don't provide such services. **Bonus Guide** You can read free room service training tutorial from here <http://www.hospitalityschool.com/hotel-room-service-procedure> **Hotel Management Training Manuals** Download more Hotel Restaurant Management Training Materials from here <http://www.hospitalityschool.com/training-manuals/hotel-management-power-point-presentations> Download Hotel Restaurant Management Power Point Presentations from here <http://www.hospitalityschool.com/hotel-management-power-point-presentation> **Free Hotel Restaurant Management Tutorials** You can read 200 free hotel restaurant management training tutorials from here <http://www.hospitalityschool.com/free-hotel-management-training> *The Hotel Monthly* John Willy, 1918
