CURRICULUM GUIDE GRADE 8-12 ,2020 **Struggling Readers** Ernest Balajthy,Sally Lipa-Wade,2003-04-04 This practical book focuses on three distinct types of struggling readers that teachers will instantly recognize from their own classrooms the Catch On Reader the Catch Up Reader and the Stalled Reader Detailed case studies bring to life the specific problems these students are likely to face and illustrate research based instructional strategies that can help get learning back on track The book also illuminates the causes and consequences of literacy difficulties giving K 6 teachers a better understanding of how to meet the needs of each child A comprehensive appendix provides dozens of informal assessment devices ready to photocopy and use Other user friendly features include annotated bibliographies of key research descriptions of commercial materials and curricula designed for each type of learner and information on technology resources Photocopy Rights The Publisher grants individual book purchasers nonassignable permission to reproduce selected materials in this book for professional use For details and limitations see copyright page Key Features Struggling readers are a major focus of current teaching and legislation Extended case studies provide realistic instructional examples Research base evident throughout Covers the causes and consequences of reading difficulties as well as how to help **Inclusive Texts in Elementary Classrooms** Amy J. Heineke,Aimee Papola-Ellis,2022 Learn how to put children s diverse and storied experiences at the center of the curriculum Schools are more diverse than ever before but the texts and materials that typify classroom curricula continue to prioritize so called mainstream stories and perspectives These canonical texts often exclude the nuanced identities and rich lived experiences of the very children sitting in today s classrooms But kids thrive when they see themselves in texts and learn about the world around them by connecting with the experiences of others Based on the authors work with elementary school teachers over the last decade this resource offers strategies for moving away from canonical texts The authors present a four part framework for selecting using and engaging students with texts that promote children s identity development literacy engagement and comprehension and learning across the content areas The practical text provides guidance for setting learning goals that align with relevant standards and curricular directives as well as classrooms examples teaching strategies and reflective questions Book Features An actionable way for teachers to move from theory to practice using what we know about culturally relevant practice and critical literacy to create instruction that enhances children s classroom experiences and learning An inclusive and intersectional approach that supports all teachers in enhancing their classroom libraries and curricular resources for the benefit of all students Specific ideas for texts and authors as well as more generalizable themes and ideas that will guide future exploration and use of texts in classrooms Tangible strategies and rich classrooms examples from 20 expert teachers spanning diverse elementary school settings Reflective questions to help practitioners personalize the content to their own contexts The Americana Annual Alexander
