How Christianity Changed the World reveals the full radical nature of the Christian faith as a shaping force From the jacket

How Christianity Changed the World Alvin J. Schmidt, 2009-12-15 Western civilization is becoming increasingly pluralistic secularized and biblically illiterate Many people today have little sense of how their lives have benefited from Christianity's influence often viewing the church with hostility or resentment *How Christianity Changed the World* is a topically arranged Christian history for Christians and non Christians Grounded in solid research and written in a popular style this book is both a helpful apologetic tool in talking with unbelievers and a source of evidence for why Christianity deserves credit for many of the humane social scientific and cultural advances in the Western world in the last two thousand years Photographs timelines and charts enhance each chapter This edition features questions for reflection and discussion for each chapter Seven

Revolutions Mike Aquilina, James L. Papandrea, 2015-02-24 Combining history politics and religion Mike Aquilina and Jim Papandrea provide practical lessons to be learned from the struggles of the Early Church lessons that can be applied to the day to day lives of Christian readers Prolonged multiple wars in the Middle East Waves of immigrants crossing the borders Ongoing economic recession Increasing political polarization often with religious overtones Conflicts over ideologies that pit the progressive against the traditional Sound familiar These conditions not only describe the United States but the situation of the Roman Empire in the third century That situation led to religious persecution and the eventual collapse of the empire In the middle of the third century the Roman Empire was roughly the same age as the United States is now In this book authors Mike Aquilina and Jim Papandrea examine the practices of the Early Church a body of Christians living in Rome and show how the lessons learned from these ancient Christians can apply to Christians living in the United States today The book moves from the Christian individual to the family the church and the world explaining how the situation of the Early Church is not only familiar to modern Christian readers but that its values are still relevant *How Christianity Changed*

Amy L. Sherman, 2022-05-10 God calls Christians of every vocation to participate in his redemptive mission so that every corner and square inch of society can flourish as God intends Amy Sherman offers a multifaceted biblically grounded

roadmap for enacting God's call to seek the shalom of our communities showcasing historical and contemporary models of faithful and transformational cultural engagement

A Matter of Conviction Jerry Sutton, 2008 *A Matter of Conviction* chronicles the history of the ERLC against the backdrop of culture war challenges that drive the larger movement of evangelical activism from the organization's earliest days to its current activities under the leadership of conservative values champion Dr Richard Land. Author and renowned pastor Jerry Sutton anchors his writing in the biblical mandate for cultural engagement, a biblical understanding of the relationship between church and society and the rise of Baptist influence in the nineteenth and twentieth centuries

The Marriage of Science and the Bible David Berg, 2020-05-04 *The Marriage of Science and the Bible* is an adventure in new concepts I invite you to explore them with me. We will investigate God's scientific credentials. We will witness his authority over physical science. We will see how he is applying the logic of science to human history. Our Creator introduced the scientific method. Examining his predictions, hypotheses, we can judge their accuracy across 4,000 years of human history. Evaluate use of science of history. Begin with secrets of the universe revealed long before modern satellites. Inspect a mathematically specific prediction of the coming of Jesus Christ. Does the Creator speak in absolutes? Does absolute truth exist? Consider the complexity of predicting the themes of history and future events. No man can do it. Recognize the unparalleled importance of God's expansion of science. Discover Jesus's description of biblical biology, biblical physics and biblical chemistry in God's design for human life. Consider why the availability of the Bible in the languages of Northern Europe resulted in the birth of modern science. Follow the flaw in human philosophy to Darwin's theory. Is it important that astrophysicists are linking the biblical account of creation with twentieth and twenty-first century scientific discoveries? Personally confirm the science of history by viewing God's hypotheses and current events in Israel. Discover the purpose of human history. It's an adventure in reality

Why People Don't Believe Paul Chamberlain, 2011-05-01 *Religion is increasingly seen as a dangerous source of violence in the world breeding a fear of faith in a very vocal group of critics. Most Christians are blissfully unaware of the litany of allegations being brought against religion including that it is the cause of intolerance, imperialism, irrationality, bigotry and war to name a few. But ignorance is not the answer. In Why People Don't Believe, Paul Chamberlain strives to represent the concerns and challenges raised against religious faith particularly those raised against Christianity to help readers understand them. He then thoughtfully responds to these criticisms honestly evaluating whether they have merit. Lastly he outlines the many good and humane contributions Christianity has made to the world throughout the past 2,000 years. Anyone who is troubled by today's headlines involving religious violence or who wants to be able to respond intelligently to critics will find Why People Don't Believe a welcome, hopeful book.*

Abortion Brian E. Fisher, 2013-12-01 *Abortion: The Ultimate Exploitation of Women* unwinds the cultural myth that abortion empowers women. Not only are men responsible for promoting and legalizing abortion in America, they are the key beneficiaries. Using historical facts, medical research and emotional personal stories

Fisher provides overwhelming evidence that abortion undermines women's rights, victimizes women, children, and men, and is eroding the very fabric of our society. **The Oracles of God... Or the Words of Men?** Curtis Pillsbury, 2010-11. Why don't people believe the Bible like they used to? Do Christians themselves truly believe the Bible is the Word, part true, part superstition? Is it fair to claim that the Bible is superior to other sacred writings? Curtis Pillsbury has encountered these controversial questions and more and has set out to answer them using biblical proof and personal experiences. If you have ever questioned Christianity, fear not: Curtis himself has battled similar doubts and has spent over twenty years disproving the myths. You will never again wonder: Is the Bible The Oracles of God or the Words of Men? In a day in which postmodernism and humanism seek to dissolve absolute truth, Curtis Pillsbury has given us a tool to create a Christian worldview. The Oracles of God or the Words of Men is a tool to combat New Age mumbo jumbo and establish God's Word as an anchor for transformation and productivity. Curtis's work will help you wade through the minutia of philosophies, combating real truth. Read this book as a key to your freedom. Ron McIntosh, President of Ron McIntosh Ministries, Executive Director of Victory Bible Institute. The Oracles of God or the Words of Men will help secure for you a strong foundation in the Word of God and will strengthen your faith in the fact that God's Word is your final authority. With this revelation, you can stand in the midst of any trial or temptation. This book will keep you in love with Jesus and his Word. Terry Nance, author of God's Armorbearers.

Nothing Else Matters Nancy A. Almodovar, 2022-03-18. It is said that Jaroslav Jan Pelikan, a leading scholar in the history of Christianity, and Sterling Prof. Everett of history at Yale University, on his deathbed, confessed this: If Christ has not risen from the dead, nothing else matters. If Christ has risen from the dead, nothing else matters. I came across this quote in my research for the Apologetics Together courses that I offer on social media and was immediately awed at its profound implications. Indeed, if Jesus has not risen, we must agree with Saint Paul that the world remains in their sins and are eternally lost. However, since Jesus has risen, those who have placed their trust in him are assured of salvation and eternal life. This book looks at the prophecies and fulfillment in the Scriptures which assure us that he who died on the cross at Calvary rose again on the third day for our justification. **How Christianity Saved Civilization** Mike Aquilina, 2019-01-11. These eye-opening pages document the many ways in which Christians penetrated and civilized that debased Roman empire, introducing then radical notions such as the equal dignity of women, respect for life, protection of the weak and vulnerable, and the obligation of rulers to serve those they rule and maximize their freedom.

Messianic Prophecies Cross Examined Loujan J. Matin, DC MTS, 2023-12-22. In four years at a Southern Baptist university, we wrote our theses. Mine was about the Silence of Jesus. After graduation, my paper was converted to *Messianic Prophecies Cross Examined*, a book nominated for the Erik Hoffer Award. In this riveting divine drama, unlike His Sanhedrin trial and after two millennia of silence and guilty verdict, Jesus is represented by a defense council that energetically defends Him against the opposing council. Caiaphas' interrogations. It will energize your heart, mind, and soul. A pleasure to read. A one-stop. The thesis concluded.

with the fifth chapter but the book has a sixth chapter about His Second Coming so read it last Will the Son of Man return by the same Name Will His followers be known as Christians or will they be given a new Title The combined force of sixty five Bible KJB texts removes all uncertainty concerning His potential New Name The sixth chapter discusses these and other thought provoking subjects This book discusses forty nine topics that our preachers are unable to address in their sermons In words of one reader Messianic Prophecies Cross Examined shifted my consciousness **Faith & Freedom** Tom Terry,2005-11 Is the Great Commission apolitical Faith and shows how missionary leads to political freedom

Understanding the Faith Jeff Myers,2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute objective truth has been largely lost Spend just a few minutes discussing politics or religion and you ll hear responses like There is no truth or That may be true for you but not for me Understanding the Faith dares to wade into the middle of the controversy with chapters such as Is God Christian Isn t Claiming Truth Intolerant Is the Bible Anti Science Summit Ministries half century of teaching this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith It s a required resource for every Christian s bookshelf **A Lost Virtue and the Search for Truth** Lillian Carucio,2008 This book assesses the deleterious changes in Western culture especially in America by comparing what has been with what is In doing so the author deduces a common thread of causality at the root of this universal degeneration in politics education family life religion and social mores This text invites the reader to contemplate how we arrived at a place where we would rather imagine who or what God is than believe what he has told us

How to Read the Bible in Changing Times Mark L. Strauss,2011-08-01 Many find it difficult to take words that were written thousands of years ago and apply them to twenty first century life in the Western world How do we read God s unchanging Word in a world that is increasingly defined by change How to Read the Bible in Changing Times shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture Rather than seeing the Bible as a magic answer book a list of commands to obey or a series of promises to claim this insightful book allows the Bible to retain its identity as a complex inspired document while showing that the truth it contains is relevant and life changing It shows the reader how to determine the meaning of the text in its original context identify culturally relative features understand what the text teaches about God his will and his purposes apply the truths discovered to contemporary life situations It even shows readers how to discern God s will on the many modern issues that the Bible does not directly address **Welcome to College** Jonathan Morrow,2008 To help the upcoming student Jonathan Morrow provides this engaging guide packed with advice on all manner of issues from dating and friends classes and homework to avoiding the temptation to just check out spiritually while in school Morrow gives personal advice and anecdotes draws examples from Scripture and offers additional resources for further insights from publisher description **Christian Ethics (Revised Edition)** Wayne Grudem,2024-09-18 What Does the Bible Teach about How to Live in Today s World How should Christians live when the

surrounding culture is increasingly hostile to Christian moral values. Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, ethical business practices, environmental stewardship, and dozens of other issues? And on a very practical level, how can we know God's will in the ordinary decisions of life? To address questions like these, Wayne Grudem, author of the bestselling book *Systematic Theology*, draws on 40 years of teaching classes in ethics to write this wide-ranging introduction to biblical moral reasoning, organized according to the structure of the Ten Commandments. He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God. Written by Wayne Grudem, bestselling author of *Systematic Theology* and the *What the Bible Says About* series, *Biblical and Applicable* teaches readers how to protect 7 central tenets of God's law: God's honor, human authority, life, marriage, property, truth, and purity of heart. Accessible. An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter. Replaces ISBN 978 1 4335 4965 6.
