

How Pakistan Fear Narendra Modi

Didier Musso

How Pakistan Fear Narendra Modi:

Modi: The Challenge of 2024 Minhaz Merchant, 2024-06-10 The Opposition's 26 party Indian National Developmental Inclusive Alliance INDIA aims to pose a serious challenge to the BJP led National Democratic Alliance NDA in the 2024 Lok Sabha election. Despite the coalition leaders' ideological differences and regional rivalries, their overwhelming intent is to prevent Narendra Modi from becoming the first Indian since Jawaharlal Nehru to win three successive five year prime ministerial terms. The 2024 Lok Sabha election could prove historic. If Narendra Modi wins a third successive five year prime ministerial term, he will be the first Indian leader to do so since Jawaharlal Nehru. In this sweeping account of events leading up to the 2024 General Election, Minhaz Merchant analyses how Modi has shaped Indian politics, economics and culture during his decade as prime minister. The book examines whether the Opposition's strategy to present a united front can derail the BJP's juggernaut. For example, can Congress leader Rahul Gandhi, West Bengal Chief Minister Mamata Banerjee and regional satraps in Opposition ruled states put aside their differences? Minhaz Merchant has met and interviewed Modi several times since 2012. The author analyses Modi's policies across key domains: geopolitics, economics, technology and social reform. Broken up into ten broad sections and thirty-one chapters, the book decodes Modi's evolution over the past decade from a regional leader to a global statesman.

How Modi Won It Harish Khare, 2015-02-01 Marked by deep ideological divisions, a massive advertising blitz and an election campaign that could claim to rival the US presidential polls, the 2014 general election has been called historic for its verdict: a political party received a majority in the Lok Sabha for the first time in three decades. In this personal, partisan and superbly perceptive narrative of how the dice rolled in the four months leading up to 16 May 2014, Harish Khare, journalist, columnist, scholar and former media advisor to Prime Minister Manmohan Singh, provides an honest, impassioned record of India's greatest democratic exercise. Through a meticulous account of what he saw, heard and read during this time, Khare elucidates how the different political stakeholders kneaded into their day-to-day campaign rhetoric the latent cultural angst, economic anxieties and political expectations of a nation that has changed irrevocably over the past decade to persuade the Indian voter to cast a decisive vote. From the brilliant and flexible campaign pitch made by the BJP to the jaded and outdated Congress rhetoric, from openly expressed middle class aspirations to rural India's resurgent hopes and from communal polarization to shifting caste equations, *How Modi Won It* provides brilliant insight into and an incisive assessment of one of the most memorable elections in the country's history.

The Prospect of Nuclear Jihad in South Asia Musa Khan Jalalzai, 2015-10-01 When we talk about Pakistan's nuclear weapons, armed forces and civilian governments, then controversies and uninvited misperceptions swirl in our minds. If we take in the broad picture, we inevitably conclude that not all is going in the right direction in the country and that is because the army, politicians and the establishment perceive jihadism as a profitable business. They run this business of killings and torture through their proxies. While we study the militarized mind of Pakistani generals and recognize their resentment towards civilian

governments we find more controversies about the role of armed forces and their relationship with worldwide terrorist organizations International journalist Musa Khan Jalalzai is ideally positioned to present us with a picture of what is actually afoot and what it means for the future When we study the militarized mind of Pakistani generals and recognize their resentment towards civilian institutions we find more controversies about the role of armed forces and their relationship with worldwide terrorist organizations The Pakistan military controls the financial market stock exchange real estate business banking sector and smuggling of narcotics Ethnic representation within the armed forces raises serious concerns Some experts say this is not a national army but view it as the club of Pashtun and Punjabi generals The army has failed to develop a true ethnic representation process or motivate Baloch and Sindhis to join the armed forces but they certainly have gained experience in killing innocent civilians Then there is the question of the Saudi investment in Pakistan s Islamic nuclear bomb Saudi Arabia s link with Pakistan s nuclear and missile program has long been the source of speculation that Pakistan might either station nuclear forces on Saudi sand or provide a nuclear umbrella to the Wahabi state in return for oil supply or that the Saudis would purchase nuclear weapons from Pakistan International journalist Musa Khan Jalalzai is ideally positioned to present us with a picture of what is actually afoot and what it means for the future *South Asia and the Great Powers* Sten Rynning,2017-02-23 Where the implications of war and peace are open to question the possibility of change depends more on politics than economics This book asks whether the region s great powers can overcome opposing interests and commit to political restraint The concept of regional security is based on great power support for regional order However there are many pitfalls to consider notably the politics of contested nationalisms the Asia Pacific rivalry of China and the US and India s inclinations to function or be seen as a benevolent hegemon for the region Yet there are signs of renewed determination to move the region in new directions While China s Silk Road projects are long term regional investments that hinge on regional stability the US is attempting to fashion new partnerships and India strives to reconcile regional differences to promote a peaceful environment This book as it sets out the emerging agendas of the great powers and local powers makes a significant contribution to a better understanding of the international relations and diplomatic politics of South Asia **Modi's India** Christophe Jaffrelot,2023-04-11 A riveting account of how a popularly elected leader has steered the world s largest democracy toward authoritarianism and intolerance Over the past two decades thanks to Narendra Modi Hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in Gujarat and then in India at large Modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines Both facets of this national populism found expression in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space Drawing on original interviews conducted across India Christophe Jaffrelot shows how Modi s government has moved India toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and

relegates Muslims and Christians to second class citizens who are harassed by vigilante groups He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists intellectuals universities and NGOs Jaffrelot explains how the political system of India has acquired authoritarian features for other reasons too Eager to govern not only in New Delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including India s Supreme Court Modi s India is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities

Kashmir "Face-Off" India's Quandary A K Ganguly, 2021-04-01 The book Kashmir Face Off India s Quandary is about Kashmir How it remained in the suspended animated state since 1947 in three parts Pakistan Occupied Kashmir China Occupied Kashmir and rightfully held Indian Jammu and Kashmir So many years have passed in status quo state and none of the actors is ready to budge an inch The legal status of Jammu and Kashmir J K as per the documentary evidence and seconded by the British Empire the day the Maharaja of the State signed the Accord of Accession in 1947 October This had made both Pakistan and China not recognising the accord Pakistan invaded India to take by force J K Indian Army drove out the invading forces but as ceasefire came into being certain territories were still held by Pakistan Same was the case with China who in 1962 captured Aksai Chen and never returned it to India These occupied territories were and have been used in fermenting problems and instability based on communal lines with a view to breakaway Kashmir from India With the abrogation of special status which Pakistan and China have been exploiting both these countries got the jolt which they were never expecting It was for the first time India declared the occupied territories as part of India in August 2019 and put the reclamation of the same In this book the modus modalities and way out have been discussed to get back all the occupied territories even at the cost of going in for forced reclamation The narrative has been made interesting with Maps and debating the pros and cons where India stands and what it must do to improving its posturing of reclamations

Pakistan Under Siege Madiha Afzal, 2018-01-02 Over the last fifteen years Pakistan has come to be defined exclusively in terms of its struggle with terror But are ordinary Pakistanis extremists And what explains how Pakistanis think Much of the current work on extremism in Pakistan tends to study extremist trends in the country from a detached position a top down security perspective that renders a one dimensional picture of what is at its heart a complex richly textured country of 200 million people In this book using rigorous analysis of survey data in depth interviews in schools and universities in Pakistan historical narrative reporting and her own intuitive understanding of the country Madiha Afzal gives the full picture of Pakistan s relationship with extremism The author lays out Pakistanis own views on terrorist groups on jihad on religious minorities and non Muslims on America and on their place in the world The views are not radical at first glance but are riddled with conspiracy theories Afzal explains how the two pillars that define the Pakistani state Islam and a paranoia about India have led to a regressive form of Islamization in Pakistan s narratives laws

and curricula These in turn have shaped its citizens attitudes Afzal traces this outlook to Pakistan s unique and tortured birth She examines the rhetoric and the strategic actions of three actors in Pakistani politics the military the civilian governments and the Islamist parties and their relationships with militant groups She shows how regressive Pakistani laws instituted in the 1980s worsened citizen attitudes and led to vigilante and mob violence The author also explains that the educational regime has become a vital element in shaping citizens thinking How many years one attends school whether the school is public private or a madrassa and what curricula is followed all affect Pakistanis attitudes about terrorism and the rest of the world In the end Afzal suggests how this beleaguered nation one with seemingly insurmountable problems in governance and education can change course

Unbattled Fears: Reckoning the National Security Sumit Walia, 2021-02-16 Strategic thinking has not been part of our national discourse Till the end of 20th century there were a very few public or private think tanks discussing the challenges our nation faced There was no private news channel till 1999 and when they started they went about doing their news business Lack of strategic thinking was apparent during 1962 war with China when we had clear indications of heinous moves and design of China The Indian Army had submitted reports highlighting the Chinese threat but it all fell on deaf ears The Prime Minister of the time thumped the table and said It is not the job of Commander in Chief to tell the Government who will attack India China will never attack us rather China would come to our rescue if needed You should concentrate on Pakistan Rest is history Successive governments did not learn the lesson Strategic and National Security matters were still prerogative of government institutions Till 2000 there were a few government funded or private think tanks United Service Institution of India Indian Direct Selling Association Indian Defence Review etc working on this vital subject New think tanks came up but their reach was limited There appears to be much more interest in masses now than what it was 20 years ago This book is a compilation of articles written on different subjects It is divided in four sections every section dealing with a different subject Readers should consider the backdrop date given at the first page of every chapter This will help putting things in the right perspective

100 Modi Mantras: A Decade of India's Uprising Shankar Lalwani, 2024-08-21 This book offers a comprehensive look at the transformative decade of Narendra Modi s leadership as India s 14th Prime Minister It distills the essence of Modi s governance philosophy and vision for India into 100 key mantras that have shaped his tenure from 2014 to 2024 Drawing from Modi s journey from Chief Minister of Gujarat to Prime Minister the book explores how his personality and policies have reshaped India s political landscape economy and global standing It highlights the significant growth of the Bharatiya Janata Party under his leadership and examines the sweeping changes that have occurred in India s economy international relations and domestic policies The book serves as both a chronicle of a pivotal era in Indian politics and a guide to understanding the principles that have driven one of India s most influential leaders Whether you re a political enthusiast a student of history or simply curious about India s rapid transformation this book provides a unique perspective on the man often hailed as India s Vishwa Guru and the mantras that

have defined his governance **Kashmir: Beyond Bullets and Blood** KHRITISH SWARGIARY,2025-05-01 In Kashmir Beyond the Bullet My Witness to the Unseen War the author invites us into the misty valleys of Kashmir a land where mountains cradle both serenity and strife to reveal how decades of violence have scarred both the landscape and its people yet have never been cured by force alone Recounting the shock of Pulwama in 2019 when a suicide bomber killed forty four paramilitary officers and earlier horrors at Uri and Pahalgam the narrative shows how each atrocity is seized by politicians diplomats and the media as fuel for election campaigns diplomatic tit for tats and nationalist pageantry from surgical strikes and treaty suspensions to fiery parliamentary debates while the valley s real wounds fester unseen Across the Line of Control Kashmir s tragedy is mirrored by reciprocal accusations and strategic posturing turning bereaved families into symbols in an international game of blame and reprisal Through deeply personal reflections the author argues that every militant once bore the same hopes and traumas as any other Kashmiri youth and that simply killing terrorists treats only symptoms not the underlying grievances Drawing on analyses from military think tanks to on the ground reports the book issues a manifesto for breaking the cycle genuine dialogue with Kashmiri communities political reforms investment in education and mental health and the courageous choice to see every human life as more than a statistic Only by confronting the hidden currents of fear and resentment and by planting hope instead of bullets can Kashmir finally find a lasting peace 370: Undoing the Unjust BlueKraft Digital Foundation,2025-08-08 The most definitive account of how Article 370 was abrogated The inside story of how Prime Minister Narendra Modi turned the seemingly impossible into a reality An eye opening read on the damage Article 370 inflicted on Jammu and Kashmir A book that will interest diverse readers including students scholars and historians Introduced in October 1949 Article 370 turned out to be a long standing permanent temporary provision till 5 August 2019 when it was abrogated by the Parliament of India The article has been subjected to intense debate and much discussion over the years Those who supported it cited Jammu and Kashmir s unique situation in 1947 while those who opposed it questioned how one nation could have two constitutions two flags and two sets of rules The naysayers also questioned its reductive aspects the denial of basic rights to the poor scheduled caste and scheduled tribe communities and women But whichever side one stood on the conventional belief for sixty five years since Independence was that Article 370 can never be repealed But then came 5 August 2019 when the supposedly impossible became a reality 370 Undoing the Unjust A New Future for J K takes the reader through the minute and meticulous planning that ensured seamless execution of the decision Removing Article 370 not only needed strategic planning and political will but also mammoth logistical preparations Every single aspect would have to be addressed or else the region especially the Kashmir valley would plunge into chaos The book offers a glimpse of Prime Minister Narendra Modi s thought process insights into his leadership and most importantly his vision for Jammu and Kashmir By ensuring that Article 370 is repealed Prime Minister Modi altered the course of history But along with that he also fulfilled the decades old commitment of the Bharatiya Janata Party Deeply researched anecdotal and

unputdownable this book fills the gaps on scholarship around an iconic moment of Indian history **India's Foreign Policy and Economic Challenges** Silvio Beretta, Axel Berkofsky, Giuseppe Iannini, 2023-02-13 This book provides a state of the art analysis of India's foreign and security policies examining e.g. the country's security economic and trade ties and interactions with Pakistan China the United States Japan the Middle East and ASEAN Furthermore the contributors provide the reader with an overview and analysis of the quality and challenges of India's regional and global trade and investment policies While in the past India has been a reluctant and not particularly prominent foreign and security policy actor in East and Southeast Asia as well as globally China's resurgence and its assertive and increasingly aggressive regional security policies have led India's policymakers to reconsider the country's decades old non alignment policies and opt for expanding security and defence ties with the United States Japan and others The Indian Chinese border clashes in 2020 and China's unlawful occupation of disputed territories along the Indian Chinese border in the Himalayas have convinced Delhi's policymakers and the country's security and defence elites that India is well advised to join and contribute to US led China containment policies The expansion of India's security and defence ties with Japan over recent years in particular will continue to be instrumental to keeping Beijing's territorial expansionism in Southeast and South Asia in check This volume analyses India's involvement and engagement in regional and global trade and investment structures and flows in great detail Written by a team of prolific European and Indian scholars the book will be of interest to researchers in the fields of international relations and security studies as well as policymakers at governmental or international organizations **Democratic Transition and Security in Pakistan** Shaun Gregory, 2015-10-23 This volume examines the trajectory of Pakistan's democratic transition and the implications of this change for its security In May 2013 for the first time in its 66 year history Pakistan saw an elected government complete a full term in office and transfer power through the ballot box to another civilian government At this important moment in Pakistan's history this collection brings together twelve leading academics and writers with an aim to provide a far reaching analysis of the current situation in Pakistan and emergent trends Drawing on history diverse theoretical perspectives and empirical evidence three themed sections deal respectively with democratic transition including Islam and democracy civil military relations and economics contested borders and contested spaces the Pashtun belt Kashmir and intra Islamic conflict and regionalism bilateral relations from both Pakistani and Indian perspectives US Pakistan relations and nuclear weapons dynamics Together the contributors explore the status of Pakistan's democratic transition contemporary security dynamics and wider regional security and political dynamics and the complex interplay of the three to provide a wide ranging analysis of Pakistan's contemporary national and regional challenges its impact on the region and evidence of some positive trends for Pakistan's future The book will be of much interest to students of South Asian politics Asian security governance and IR in general as well as policy makers diplomats and military professionals The Algebra of Warfare-Welfare Irfan Ahmad, Pralay Kanungo, 2018-12-24 Electoral democracy combines the ideas and practices of warfare

and welfare where both work in tandem as near synonyms India's robust electoral democracy exemplifies this combination in diverse forms Critically analysing the 2014 Parliamentary elections beyond the seduction of immediacy and bare cold statistics this book puts human subjectivity at the centre of election studies and through an anthropological sociological approach makes lives human and non human lived and unlived or unlivable central to any understanding of elections and democracy Crafting a new comprehensive approach this volume looks at the 2014 elections in relation to the changing nature and forms of elections and democracy globally Coming from multidisciplinary backgrounds the contributors to this volume use ethnographic observations to open up a space for new theoretical and methodological reflections on the role of media in Indian elections the shift to the right in 2014 and its consequences the significance of traditional Hindu spaces such as the river Ganga in BJP's victory the role of gurus like Baba Ramdev and the electoral choices available to and exercised by the minorities among others

Islamicate Textiles Faegheh Shirazi, 2023-04-06 Textiles and clothing are interwoven with Islamic culture In *Islamicate Textiles* readers are taken on a journey from Central Asia to Tanzania to uncover the central roles that textiles play within Muslim majority communities This thematically arranged book sheds light on the traditions rituals and religious practices of these regions and the ways in which each one incorporates materials and clothing Drawing on examples including Iranian lion carpets and Arabic keffiyeh Faegheh Shirazi frames these textiles and totemic items as important cultural signifiers that together form a dynamic and fascinating material culture Like a developing language this culture expands bends and develops to suit the needs of new generations and groups across the world The political significance of Islamicate textiles is also explored Faegheh Shirazi's writing reveals the fraught relationship between the East with its sought after materials and much valued textiles and the European countries that purchased and repurposed these goods and lays bare the historical and contemporary connections between textiles colonialism immigration and economics Dr Shirazi also discusses gender and how textiles and clothing are intimately linked with sexuality and gender identity

Routledge Handbook of Autocratization in South Asia Sten Widmalm, 2021-12-30 This handbook offers a comprehensive analysis of the processes and actors contributing to autocratization in South Asia It provides an enhanced understanding of the interconnectedness of the different states in the region and how that may be related to autocratization The book analyzes issues of state power the support for political parties questions relating to economic actors and sustainable economic development the role of civil society questions of equality and political culture political mobilization the role of education and the media as well as topical issues such as the Covid pandemic environmental issues migration and military and international security Structured in five sections contributions by international experts describe and explain outcomes at the national level in India Pakistan Bangladesh and Sri Lanka The final section analyzes conditions for democracy and autocratization and how they are affected by the interplay of political forces at the international level in this region India building an ethnic state Pakistan the decline of civil liberties Bangladesh towards one party rule Sri Lanka the

resilience of the ethnic state How to comprehend autocratization in South Asia three broad perspectives This innovative handbook is the first to describe and to explain ongoing trends of autocratization in South Asia demonstrating that drivers of political change also work across boundaries It is an important reference work for students and researchers of South Asian Studies Asian Studies Area Studies and Political Science The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Hindu Nationalism and Terrorism in India Eamon Murphy, 2023-06-30 This book discusses terrorism and the rise of Hindu nationalism in contemporary India and examines how this movement has become a threat to democracy in the country The work analyses the rise of Hindu nationalism culminating in the success of Narendra Modi's Bharatiya Janata Party (BJP) the political arm of the movement in the 2019 Indian national elections It offers an accessible account of the complexities and subtleties of Hindu nationalism and the dangers it poses to India's pluralistic democracy and secularism A major theme of the book is the role that terrorism has played in the rise of Hindu nationalism a factor often underplayed or ignored in other studies and it also challenges the widespread belief that terrorism is largely an Islamic phenomenon Employing a cross disciplinary approach the book is highly relevant to both academics and policymakers given India's importance as a major global economic and military power This book will be of interest to students of terrorism and political violence South Asian history Indian politics and international relations as well as policymakers

Routledge Handbook on South Asian Foreign Policy Aparna Pande, 2021-08-30 This handbook offers a comprehensive overview of South Asian foreign policy examining the complex history and present state of South Asian foreign policy the foreign policy of the countries of the region as well as their relationships with their neighbors and key external players such as China and the United States in an effort to understand South Asia's place in the world order It illustrates the future trajectory of foreign policy in the region and analyses future of regional arrangements like SAARC South Asian Association for Regional Cooperation and BIMSTEC The handbook is structured in five parts each representing a focused area of enquiry Foreign Policy Relations within South Asia Relations within Indo Pacific Relations with China Europe and the United States Security A carefully selected collection of 26 chapters written by experts on South Asian foreign economic and security policy this handbook provides an objective yet accessible overview of the history and current state of foreign policy of each country and the region It is an authoritative reference work for academics and students as well as international think tanks research institutes and non governmental organizations working on South Asian Politics Asian Politics Foreign Politics International Affairs World History and International Relations

Hard Realities: India, Pakistan, China in an Emerging New World Dr. Amarjit Singh, 2019-12-26 *Hard Realities* presents ideology and strategies for Indian pre eminence Some of the interesting takeaways are Irrefutably Pakistan's existence is not in India's interest The time is ripe for dismantling Pakistan as India's neighbor Thus Baluchistan Sindh West Punjab and Kashmir must spin out of Pakistan in different ways while the Federally

Administered Tribal Areas FATA must be legitimately returned to Afghanistan Consequently India has no choice but to prepare its forces with a sense of urgency for the upcoming world economic disruption in the 2020s However India has shortcomings such as historical failures by the Indian leaders to strategize properly with respect to Pakistan and China deficient investment in engineering disciplines and failure to boost its economy timely through indigenous defense production Mostly India s personality is inappreciable Moreover India s approach to China must be unambiguous that Tibet and Xinjiang are not a part of China As such India will not share a border with China But at present China is running circles around India and only technological development of high quality engineering talent will help India India has a majorly tough row to hoe as a nation Its 2 5 to 3 front war is its own creation Though the destiny of nations is a potent force India must not be found wanting when it comes to singly defending its military and economic independence *Routledge Handbook of Contemporary Pakistan* Aparna Pande, 2017-08-23 With a population of 190 million Pakistan is strategically located at the crossroads of the Middle East Central and South Asia and has the second largest Muslim population in the world The Routledge Handbook of Contemporary Pakistan provides an in depth and comprehensive coverage of issues from identity and the creation of Pakistan in 1947 to its external relations as well as its domestic social economic and political issues and challenges The Handbook is divided into the following sections Economy and development External relations and security Foundations and identity Islam and Islamization Military and jihad Politics and institutions Social issues The Handbook explains the reasons why Pakistan is so often at the forefront of our daily news intake with a focus on religious and political factors It asks questions regarding the institutions and political parties which govern Pakistan and provides an insight into the relationships which the country has forged since its creation culminating in a discussion of the state s involvement in conflict Covering a range of topics this Handbook offers a wide range of perspectives on Pakistan Bringing together a group of leading international scholars on Pakistan the Handbook is a cutting edge and interdisciplinary resource for those interested in studying Pakistani politics economics culture and society and South Asian Studies

Whispering the Secrets of Language: An Emotional Journey through **How Pakistan Fear Narendra Modi**

In a digitally-driven earth where displays reign supreme and quick conversation drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within words usually go unheard. However, nestled within the pages of **How Pakistan Fear Narendra Modi** a charming literary value pulsing with fresh thoughts, lies an exceptional journey waiting to be undertaken. Published by a skilled wordsmith, this enchanting opus attracts visitors on an introspective journey, lightly unraveling the veiled truths and profound affect resonating within the very cloth of every word. Within the emotional depths of this touching evaluation, we can embark upon a sincere exploration of the book's key themes, dissect their interesting writing fashion, and succumb to the effective resonance it evokes serious within the recesses of readers' hearts.
