It all comes back to the basics. Serve customers the best-tasting food at a good value in a clean, comfortable restaurant, and they'll keep coming back.

– Dave Thomas, CEO of Wendy's, a fast-food restaurant chain.

The efforts of housekeeping speak for themselves. The result of sincere as well as faux housekeeping efforts are noticeable. The housekeeping staff needs to execute cleaning and maintenance tasks at various places inside the hotel. The most important task is cleaning and maintaining guest rooms and guest bathrooms. The guests assess the cleanliness in this area critically.

By following the best cleaning and maintenance practices, the housekeeping staff can contribute to retain the satisfied guests as well as to generate new guests willing to repeat their visit to the hotel. This brings in more revenue to the hotel business. To perform towards guest satisfaction and work productivity together, the housekeeping staff needs to structure the cleaning and maintenance procedures and follow them appropriately.
