Miracle Workers is a near perfect work of humor NPR about two underpaid angels working in the Department of Miracles Welcome to Heaven Inc the grossly mismanaged corporation in the sky For as long as anyone can remember the founder and CEO known in some circles as God has been phoning it in Lately he's been spending most of his time on the golf course And when he does show up at work it's not to resolve wars or end famines but to Google himself and read what humans have been blogging about him When God decides to retire to pursue his lifelong dream of opening an Asian Fusion restaurant he also decides to destroy Earth His employees take the news in stride except for Craig and Eliza two underpaid angels in the lowly

Department of Miracles Unlike their boss Craig and Eliza love their jobs uncapping city fire hydrants on hot days revealing lost keys in snow banks and they refuse to accept that earth is going under The angels manage to strike a deal with their boss He'll call off his Armageddon if they can solve their toughest miracle yet getting the two most socially awkward humans on the planet to fall in love With doomsday fast approaching and the humans ignoring every chance for happiness thrown their way Craig and Eliza must move heaven and earth to rescue them and the rest of us too **Necessary Evil and the Greater Good** Adam Ingle,2014-06-24 For best friends Mestoph and Leviticus the end of the world can't come fast enough Mestoph is a demon and troublemaker for Hell Industries while Leviticus is an angel and cubicle jockey for Heaven Inc They might be unlikely friends but they have something in common they both hate their jobs Unfortunately for them The End is nowhere in sight The two take matters into their own hands when they come up with a scheme to get themselves kicked out of the Afterlife without spending an eternity in Purgatory Their misadventure will take them from the tiny town of Truth or Consequences NM to the highlands of Iceland as they cross paths and pantheons with Neo Vikings Greek and Norse Gods and a Scottish terrier named Sir Reginald Pollywog Newcastle III *Catalog of Copyright Entries, Third Series* ,1958
