confused with religious training the sacred task of spiritual leadership and how to restore trust when there has been a violation an exploration of sacrifice and a clarification of the notion of shame a look at the impact of religious bigotry in the areas of race sexuality and tolerance an overview of sexuality and the place it holds in both celibate and family life the pernicious issue of clergy sexual abuse and the signs of spiritual trauma in response to such violation a roadmap for restoration and a challenge to religious institutions and lastly ways to reclaim the sacred and rewire the spirit Through interviews research and personal stories the author tells a story of recovery of the most delicate kind offering pathways through the dark night of religious violation to a restoration of the soul and its immense possibilities **The Accidental Sales Manager** Suzanne Paling,2010-10-01 Do you tackle several different roles including sales manager Does managing the sales team feel awkward Do you want to achieve better sales results If you answered YES then you face the same struggle as many other small business owners you can successfully manage the rest of the company but when it comes to the sales team you feel like your efforts are coming up short Suzanne Paling sales management consultant urges you to stop struggling and teaches you what you need to know to start succeeding
