performance in Vienna When the last notes of the magnificent final movement came to an end Beethoven stood on the stage with his back to the audience One of the singers gently turned him around so that he could see the audience The applause was thunderous Everyone was standing and cheering Nearly 180 years later Beethoven s works are still enjoyed by music lovers all over the world On January 12 2003 the Ninth Symphony was added to the Memory of the World register so that the compositions of Vienna s mad genius will live on forever Ludwig van Beethoven Joanne Mattern,2025-08-01 Ludwig van Beethoven 1770 1827 a German composer and pianist bridged the Classical and Romantic eras Known for his emotionally charged and groundbreaking compositions including the Ninth Symphony and Moonlight Sonata Beethoven overcame deafness to create some of the most influential and best loved works in the history of Western classical music Colorful illustrations plus photographs of meaningful sites and settings connect readers to important points in Beethoven s history A timeline and B Sharp sidebars add details to the composer s life story *Beethoven* Lewis Lockwood,2003 Written for the general reader this book reveals how Beethoven s works reflect both his artistic individuality and the deepest philosophical and political currents of his age *Beethoven, the Man and the Artist* Ludwig Van Beethoven,Friedrich Kerst,2018-10-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Life of Ludwig Van Beethoven* Alexander Wheelock Thayer,1921 **Ludwig Van Beethoven** Eric Summerer,2006-01-01
