

An illustration featuring a central globe with blue oceans and green continents. Seven diverse people of various ages and ethnicities are seated around the globe, each in a different style of chair. The background is white with scattered green circles and ovals of varying sizes. The title 'LUIF Dictionaries' is written in large, white, sans-serif font across the middle of the globe.

LUIF Dictionaries

By Tan Kheng Yeang

Luif Dictionaries Tan Kheng Yeang:

Luif Dictionaries Tan Kheng Yeang, 2013-11-25 Everyone should have easy command of a medium for expressing his or her thoughts Luif is a new language developed by the author that proposes a rational harmonious system that will allow the world to finally share a universal language Easy to learn with a vocabulary that follows a logical orderly structure Luif could finally provide the world with a more effective form of communication for successfully conducting business internationally overcoming political hurdles and misunderstandings and achieving peace among warring nations In this the companion volume to Luif A New Language a more extensive listing of words and their definitions is provided for those who wish to increase their fluency in this revolutionary language Containing approximately 4 000 basic and composite words this volume actually comprises three separate dictionaries Classified Alphabetical and English Luif allowing the reader rapid and easy access to words and their accompanying definitions

Diverse Modes Tan Kheng Yeang, 2012-05-22 *Diverse Modes* a new four part anthology of verse by author and poet Tan Kheng Yeang presents an array of poetic styles and themes Division One is written in ordinary free verse while Division Two explores free verse without punctuation marks Divisions Two and Three offer two entirely new styles created by Tan first poetry that uses sentences with no finite verbs and second amorphous verse which appears to be the same as prose in terms of style while retaining the lyricism of poetic language Tans keen sense of observation extends to everything under the sun from the glories of nature to the wide range of human emotions His insight extends to the very fundamental components of life and the building blocks of the universe Indeed the order of the universe possesses a lyricism best captured by the pen of the poet News Avidity for news Screams the loudest human trait When one encounters another They trade information About their friends and acquaintances And what has saluted their eyes and ears The greatest purveyor of intelligence Is the omnipresent newspaper Which diurnally echoes events From all corners of the globe Earthquakes and volcanoes Floods and droughts Robberies and murders Riots and wars Actions and plans of governments

Intrinsic to Universe Tan Kheng Yeang, 2011-04-19 Civilization is a uniquely human creation that has been fraught with war strife and iniquity Unfortunately past mistakes have been repeated over and over again hindering progress and eventually sweeping civilization away in the course of evolution Civilization is impossible without refinement In his latest well researched treatise *Intrinsic to Universe* Tan Kheng Yeang proposes a new socio political philosophy that unlike the idealized societies of Plato More Rousseau and Locke recognizes humanitys innate foibles and offers an innovative presentation for the creation of a new world order Yeang shares not only the principles of his suggested new civilization but also a new religious philosophy and fresh ideas for a political economic and social system that will challenge old rules and archaic thinking Also included are critiques of both Eastern and Western civilizations and a careful examination of the modern world Harmony is essential and chaos is intolerable if life is to be genuinely happy *Intrinsic to Universe* provides an in depth glimpse into a new civilization and encourages curious thinkers to look beyond past mistakes and into a brighter

future **Reduced Reflections** Tan Kheng Yeang,2011-04-18 The human experience is not a sum total It is an ever growing compendium of knowledge forever changed by the contributions of each persons life and as humans we are tasked with sharing what we know Reduced Reflections by author philosopher and engineer Tan Kheng Yeang is the ultimate expression of Yeangs rich original perception of humanity and the world Yeang had a long engineering career involving extensive civil construction projects in China and what is now known as Malaysia upon retirement he returned to his first loves of literature and philosophy and is now widely published At times humorous thought provoking heartwarming and heartbreaking Reduced Reflections promises to entertain and enlighten casual readers as well as the consummate philosopher The volume can be opened to any page for a few quick one liners and it can also be read through its alphabetical presentation revealing to us matters of the heart and soul of social conscience of nature of learning everything under the sun of the human experience

Motivating Forces Tan Kheng Yeang,2015-06-11 Aristotle first wrote about it over twenty three hundred years ago and his words still ring true today desire is a motivating force in our lives that when all consuming can even define our reason for existence In this volume of short stories Tan Kheng Yeang explores the many faces of desire through the thoughts and actions of his characters A young man struggles to find the meaning of life A bored woman risks all to run away with a stranger for the possibility of a more exciting life By fulfilling one simple wish an impoverished beggar strives to gain dignity and equality in the eyes of his fellow man A businessman resorts to skulduggery to regain his clientele from a competitor A youth is determined to attain wealth by whatever means necessary But as all of the characters are about to discover in one way or another life often takes unexpected and ironic twists when fate intervenes Motivating Forces shares twenty short tales that reveal the journeys struggles and exploits of its characters as they attempt to find their way in a complicated unforgiving world

Luif A New Language Tan Kheng Yeang,2012-07-23 If the world is truly a Tower of Babel what good can there be in a multiplicity of tongues In Luif A New Language Tan Kheng Yeang presents an innovative exciting and unique universal language with its own script rules alphabet and vocabulary There is no question that today s world needs effective clear communication in order to successfully conduct business overcome political hurdles and achieve peace between warring nations Unfortunately existing languages created in ancient times have become dinosaurs of the modern world contributing to divisiveness and misunderstanding In his guidebook to learning Luif Yeang explains the basics of the language lists commonly used words and provides examples of everyday conversations essays and poetry With twenty five letters in the alphabet and one thousand basic words in its vocabulary Luif follows a logical orderly structure and allows anyone interested in an easy to learn language to enjoy its musical sounds its script specially created to achieve harmony and simplicity and its distinctive interrelations between spelling pronunciation and meaning Every person should have easy command of a medium for expressing his thoughts Luif A New Language shares a rational harmonious system that will allow the world to finally share a universal language

Sauce of Life Tan Kheng Yeang,2012-04-09 Lai Pek is a self made man

and proud of it He has reached middle age a successful businessman and patriarch of a thriving family His outlook on life is smug self satisfied and complacent But no one goes through life unscathed and like a tiger silently creeping through the jungle adversity stalks Lai Pek striking swiftly Faced with a formidable business rival a horrifying tragedy at his rubber plantation and a shocking crime that threatens the lives of those dear to him Lai Pek must reassess his values and draw on an inner strength that he may not possess if he is to survive the crises that life has thrown at him Set in a small town in peninsular Malaya in the 1930s the story takes place against the colourful backdrop of the lives and customs of the Chinese denizens and the inexorable encroachment of modern ideas and influences on their long held values and ways of life

Dark Days Tan Kheng Yeang, 2011-04-18 In 1941 Tan Kheng Yeang is a student at the University of Hong Kong as the maelstrom of war engulfs the Pacific Theatre In December after many days of brave resistance the colony of Hong Kong finally falls to the Japanese and Yeang is unwittingly caught up in that horror that ensues In this personal memoir Yeang shares the hardships suffered by the people of China during World War II as the result of Japanese militarism With a poignant narrative style Yeang details the brutality of invading forces that seemed to know no bounds as they massacre rape and loot turning a splendid city into a region of misery destroyed by the constant humiliations inflicted by Japanese soldiers As the atrocities continue and the death toll climbs Yeang details how he and his classmates made the fateful decision to flee to mainland China As they embark on a compelling journey of human endurance and determination the refugees struggle across China and face difficult climate conditions unreliable modes of transportation and primitive living conditions all while fearing further pursuit and attacks by the enemy *Dark Days* shares an unforgettable glimpse into how rampant militarism forever changed the lives of ordinary people

The Material Structure Tan Kheng Yeang, 2014-02-05 The conflict between the material side of human existence and that of our spiritual and philosophical beliefs is as old as humanity itself but one side of the equation is as important as the other and no society can hope to sustain its existence without an equitable balance between the two In this thoughtful and thought provoking volume the author offers a unique perspective on the system of concrete tangible products produced by humankind that form the physical foundation of society He calls this system the material structure However this book is not intended as a scientific study of the production distribution and consumption of goods that is the realm of economics rather it provides an overview of the totality of products created by humans for human consumption and assesses their role as a constituent of civilization The subject of this study could also be designated as productology The development and growth of the material structure have occurred in an inconsistent haphazard fashion Advancements in science medicine and technology have contributed to the creation of a chaotic mass of unrelated products Even the advent of mechanization has failed to yield any further insights into the conglomeration of products that form an integral part of today's world This volume proposes to give unity to the material structure by classifying its components into divisions determining the principles and rules that govern or should govern it and relating it to the other constituents of

civilization including philosophy and religion which throughout history have often been inimical to the material side of human existence The author presents a cogent and persuasive argument that in order to survive civilization needs one component as much as the other The key is to achieve an equitable balance between these two dichotomies something which to date no society has been capable of accomplishing This book provides a fascinating and fresh approach to an age old enigma that has plagued humankind since the dawn of our existence

Struggle Toward Extinction Tan Kheng Yeang, 2015-11-25 Brother and sister Ban Siew and Chye Hoon work at a resort hotel owned by their father in Penang Malaysia Both enjoy and are dedicated to their work but their personal lives are another story Ban Siew struggles in a stormy marriage to Gaik Choo plagued by his wife's coldness and infidelities His hopes to salvage their tattered union quickly dim Heartbroken and humiliated he is faced with a life changing decision Meanwhile Chye Hoon is married to Jin Tek an up and coming executive in the property development business Although not completely unhappy in her marriage Chye Hoon feels neglected and lonely as her husband relentlessly pursues his career When she meets a handsome young man named Boo Hong in the hotel restaurant that she managed their attraction is undeniable Torn between two worlds Chye Hoon must make a choice that will inevitably bring heartbreak and pain Her husband oblivious to his wife's struggles continues his meteoric rise in real estate unaware that a clash with squatters may soon bring unexpected and deadly consequences to his family In this thrilling family saga a brother and sister deal with unfulfilling marriages and business conflicts that may threaten their family's fortune and their lives
