

The background of the entire image is a deep space scene. In the upper center, there is a large, bright, glowing nebula or star cluster with a yellow and orange core, surrounded by wisps of blue and purple gas. Below this, in the center, is a small, dark, spherical planet or moon with a thin white ring around its equator. The bottom right corner shows the curved horizon of a planet with a blue and white atmosphere. The overall color palette is dominated by blues, purples, and yellows.
