Expanding Austenland Aine Madden, 2024-01-13. *Expanding Austenland: The *Pride and Prejudice* Fanfiction Archive* explores Jane Austen's reception in popular culture through an exploration of the ever-expanding terrain of online fanfiction, professionally published profic texts, and other intertextual reworkings inspired by the author's most popular novel, *Pride and Prejudice*. The book argues that given its pervasiveness, *Pride and Prejudice* could be usefully considered not as a single novel but as an entire archive of interrelated texts or as a portal that opens a virtual world for readers to expand and explore. By examining the *Pride and Prejudice* archive of interrelated texts, this book analyses the process through which an individual novel can develop a virtual life or afterlife. The evolving world that is opened by *Pride and Prejudice* and extended and enriched through fanfiction is conceptualised in the monograph as *Austenland*
