Robin Gill

Lying And Christian Ethics New Studies In Christian Ethics:

Lying and Christian Ethics Christopher O. Tollefsen, 2014-04-28 This book defends the controversial absolute view of lying which maintains that an assertion contrary to the speaker's mind is always wrong regardless of the speaker's intentions. Whereas most people believe that a lie told for a good cause such as protecting Jews from discovery by Nazis is morally acceptable, Christopher Tollefsen argues that Christians should support the absolute view. He looks back to the writings of Augustine and Aquinas to illustrate that lying violates the basic human goods of integrity and sociality and severely compromises the values of religion and truth. He critiques the comparatively permissive views espoused by Cassian, Bonhoeffer, and Niebuhr and argues that lies often jeopardize the good causes for which they are told. Beyond framing a moral absolute against lying, this book explores the questions of to whom we owe the truth and when and what steps we may take when we should not give it. *Lying and Christian Ethics* Christopher Tollefsen, 2014-05-10 Defends Augustine and Aquinas's controversial absolute view of lying: it is always wrong even when for a good cause.

Christian Ethics (Revised Edition) Wayne Grudem, 2024-09-18 What Does the Bible Teach about How to Live in Today's World? How should Christians live when the surrounding culture is increasingly hostile to Christian moral values? Granted, the Bible is our guide, but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, ethical business practices, environmental stewardship, and dozens of other issues? And on a very practical level, how can we know God's will in the ordinary decisions of life? To address questions like these, Wayne Grudem, author of the bestselling book *Systematic Theology*, draws on 40 years of teaching classes in ethics to write this wide-ranging introduction to biblical moral reasoning, organized according to the structure of the Ten Commandments. He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God. Written by Wayne Grudem, bestselling author of *Systematic Theology* and the *What the Bible Says About* series, *Biblical and Applicable Teaches* readers how to protect 7 central tenets of God's law: God's honor, human authority, life, marriage, property, truth, and purity of heart. Accessible. An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter. Replaces ISBN 978 1 4335 4965 6. Lying and Christian Ethics

Christopher Tollefsen, 2014-04-28 Defends Augustine and Aquinas's controversial absolute view of lying: it is always wrong even when for a good cause. *Moral Passion and Christian Ethics* Robin Gill, 2017-03-06 In this book, Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments. He also contends that though moral passion is a key component of truly selfless moral action, without rational ethical deliberation it can also be extremely dangerous. Gill maintains that a reanalysis of moral passion is overdue. He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers and the

normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions

Christian Ethics: The Basics Robin Gill,2020-02-13 Christian Ethics The Basics sets out clearly and critically the different ways that Augustine Aquinas and Luther continue to shape ethics today within and across Christian denominations It assumes no previous knowledge of the subject and can be read by religious believers and non believers alike Readers are introduced to Christian ethics from the ground up before being invited to consider some of the most controversial but important questions facing people across the world today Topics addressed include Social justice War and peace Migration immigration Climate change Euthanasia Same sex marriage Religiously inspired violence Biotechnology Abrahamic ethics Concise readable and authoritative this is the ideal primer for anyone interested in the study of religious ethics and Christianity

Lying and Truthfulness Stewart Clem,2023-01-05 Draws on the thought of Thomas Aquinas to provide an innovative approach to the ethics of lying and truthfulness

Ethical Ambiguity in the Hebrew Bible Shira Weiss,2018-09-06 In this book Shira Weiss elucidates the moral tradition of the Hebrew Bible by subjecting ethically challenging biblical texts to moral philosophical analysis Examining the most essential questions of Jewish Thought she uses contemporary philosophy to decipher Scriptural ethics as uncovered from a variety of biblical stories Aided by ancient medieval and contemporary resources Weiss presents a comprehensive discussion of enduring ethical questions that arise from biblical narrative and continue to be contested in modern times She shows how such analysis can unsettle assumptions and beliefs as well as foster moral reflection Ethical Ambiguity in the Hebrew Bible will be of interest to scholars and students of ethics philosophy Jewish thought biblical theology and exegesis

Fundamental Christian Ethics Daniel Heimbach,2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues

Contemporary Controversies in Catholic Bioethics Jason T. Eberl,2017-07-24 This volume comprises various viewpoints representing a Catholic perspective on contemporary practices in medicine and biomedical research The Roman Catholic Church has had a significant impact upon the formulation and application of moral values and principles to a wide range of controversial issues in bioethics Catholic leaders theologians and bioethicists have elucidated and marshaled arguments to support the Church's definitive positions on several bioethical issues such as abortion euthanasia and reproductive cloning Not all bioethical issues however have been definitively addressed by Catholic authorities and some Church teachings allow for differing applications in diverse circumstances Moreover as new biomedical technologies emerge Church authorities rely on experts in science medicine philosophy theology law and other disciplines to advise them Such

experts continue to debate issues related to reproduction genetics end of life care and health care policy This volume will be a valuable resource for scholars in bioethics or Catholic studies who will benefit from the nuanced arguments offered based on the latest research This volume is also instructive for students entering the field to become aware of the founding philosophical and theological principles informing the Catholic bioethical worldview **Reconciliation** Tobias Faix, Johannes Reimer, G. J. van Wyngaard, 2021-01-27 Hardly any other topic is as important for the coexistence of mankind as the question of justice and reconciliation In this volume we want to examine this important question from different interdisciplinary and international perspectives in order to develop an overall understanding that will contribute to reconciliation in various cultural and religious fields of conflict in the world Particular attention will be paid to the theological perspective on reconciliation in which justice and restoration of relationships play a central role *A Culture of Engagement* Cathleen Kaveny, 2016-03-01 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny's articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational *A Culture of Engagement* is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life *The Oxford Handbook of Lying* Jörg Meibauer, 2019 This handbook brings together past and current research on all aspects of lying and deception from the combined perspectives of linguistics philosophy and psychology It will be an essential reference for students and researchers in these fields and will contribute to establishing the vibrant new field of interdisciplinary lying research **Augustine and Modern Law** James Bernard Murphy, 2017-07-05 St Augustine and Roman law are the two bridges from Athens and Jerusalem to the world of modern law Augustine's almost eerily modern political realism was based upon his deep appreciation of human evil arising from his insights into the human personality the product of his reflections on his own life and the history of his times

These insights have traveled well through the ages and are mirrored in the pages of Aquinas Luther and Calvin Reinhold Niebuhr and Hannah Arendt The articles in this volume describe the life and world of Augustine and the ways in which he conceived both justice and law They also discuss the little recognized Augustinian contributions to the field of modern hermeneutics the discipline which informs the art of legal interpretation Finally they include Augustine s valuable discussion of church state relations the law of just wars and proper role and limits of coercion and the procreative dimensions of marriage The volume also includes an extremely useful definitive bibliography of Augustine and the law and will leave readers with an increased appreciation of the contributions which Augustine has made to the history of jurisprudence No one can read Augustine and these articles on his view of the law without taking away a new view of the law itself The Seductiveness of Virtue John J. Fitzgerald, 2016-12-15 John J Fitzgerald addresses here one of life s enduring questions how to achieve personal fulfillment and more specifically whether we can do so through ethical conduct He focuses on two significant twentieth century theologians Rabbi Abraham Joshua Heschel and Pope John Paul II seeing both as fitting dialogue partners given the former s influence on the Second Vatican Council s deliberations on the Jews and the latter s groundbreaking overtures to the Jews in the wake of his experiences in Poland before and during World War II Fitzgerald demonstrates that Heschel and John Paul II both suggest that doing good generally leads us to growth in various components of personal fulfillment such as happiness meaning in life and freedom from selfish desires There are however some key differences between the two theologians John Paul II emphasizes more strongly the relationship between acting well and attaining eternal life whereas Heschel wrestles more openly with the possibility that religious commitment ultimately involves anxiety and sadness By examining historical and contemporary analyses including the work of the Fourteenth Dalai Lama the philosopher Peter Singer and some present day psychologists Fitzgerald builds a narrative that shows the promise and limits of Heschel s and John Paul II s views **The British National Bibliography** Arthur James Wells, 1996 *The United States Catalog* , 1903 Dietrich Bonhoeffer and a Theology of the Exception Kevin O Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer s late resistance theology and action particularly as it relates to his participation in the attempted coup d tat against Hitler this book attends to Bonhoeffer s understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one s understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer s corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions

of this age **God of Sense and Traditions of Non-Sense** Sigve K. Tonstad, 2016-01-19 One hundred taxis lined up on Church Street in Oslo on November 26 1942 deployed in order to round up the city's Jews and send them to Auschwitz This reality anchors God of Sense and Traditions of Non Sense it is theology from a Holocaust perspective The brash Elihu excoriating Job for his insistence that he is owed an explanation for the calamities that have befallen him This is the book's opening salvo Job speaking of a God of sense Elihu and Job's three friends inaugurating a tradition of non sense this is the existential and theological predicament The problem of finite suffering in this life addressed in the theological tradition with the prospect of infinite endless suffering in this book described as a key element in Traditions of Non Sense Back to the millions of Jews among them 188 women and 42 children from Oslo deported gassed and cremated in God of Sense this is not seen as a problem that defeats belief but as the reality that demands a religious and theological account of human existence

Ethical Dilemmas in Church Leadership Michael R. Milco, Shares case studies on some of the most sensitive issues pastors and church leaders may have to deal with in their churches child abuse AIDS infidelity homosexuality and unexpected pregnancies

Lying And Christian Ethics New Studies In Christian Ethics: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Lying And Christian Ethics New Studies In Christian Ethics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lying And Christian Ethics New Studies In Christian Ethics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lying And Christian Ethics New Studies In Christian Ethics has opened up a world of possibilities. Downloading Lying And Christian Ethics New Studies In Christian Ethics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky

folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lying And Christian Ethics New Studies In Christian Ethics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lying And Christian Ethics New Studies In Christian Ethics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lying And Christian Ethics New Studies In Christian Ethics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lying And Christian Ethics New Studies In Christian Ethics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lying And Christian Ethics New Studies In Christian Ethics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Lying And Christian Ethics New Studies In Christian Ethics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including
