Frost,2007-12-28 Few historical relics have exerted such a hold on our imaginations as the mummy In 1834 Thomas J Pettigrew s A History of Egyptian Mummies was the first scholarly work wholly devoted to the subject providing for its time a remarkable analysis of the different mummification techniques used by the ancient embalmers Such volumes of serious nonfiction have been supplemented over the years by additional works both scholarly and otherwise as well as works of fiction that incorporate and expand upon mummy lore Indeed the popular concept of the mummy as a malevolent monster dates back to the nineteenth century when stories about mummies rising from the dead to terrify the living first captured the imagination of the reading public and set the revived corpse on the path to becoming a major horror icon In The Essential Guide to Mummy Literature Brian J Frost provides the first in depth survey and bibliography of works of fiction featuring mummies In this comprehensive volume Frost traces the development of the mummy story paying particular attention to works by Victorian authors and pulp fiction writers as well as stories from the American pulp magazines The annotated bibliography provides synopses of all the key works of fiction in the mummy canon as well as others not so well known Full publication details for each entry with plot summaries of more than 500 works of fiction and abridged descriptions of 250 nonfiction

Well organized and comprehensive, *The Essential Guide to Mummy Literature* will appeal to devotees of the horror genre and students of popular literature as well as researchers and librarians. *The Mummy's Curse* Jasmine Day, 2006-09-27. *The Mummy's Curse* uncovers forgotten nineteenth century fiction and poetry, revolutionises the study of mummy horror films, and reveals the prejudices embedded in children's toys. The author shows that the curse's structure and meaning has changed over time. ***The Mummy's Ransom*** Fred Hunter, 2025-09-23. *The Mummy's Ransom* by Fred Hunter. A controversial exhibit of Chinchorro mummies is about to open in Chicago at Dolores Tower, the latest building by the equally controversial local developer Louie Dolores. The mummies, dating from 2000 to 7000 BC, are incredibly fragile, making their transportation and display very risky. Even worse, the pending exhibition is being protested by a group who regard the exploitation of the mummies to be a desecration of their ancient dead, leading to both tension and excitement over the coming opening. Lucky for Chicago Police Detective Jeremy Ransom, none of this has anything to do with him. He figures as long as he can keep his friend, the elderly Miss Emily Charters, away from the opening, then there won't be a murder, and he won't have to get involved. But first, there are reports that a mummy is moving around the exhibit at night, then there are death threats against the developer, and when one night alone in the exhibit, Louie Dolores is attacked by one of the mummies. Ransom is assigned to find out what's going on. With the sharp wits and intelligence of Emily at his beck and call, Ransom has to sort out the truth in what could be his strangest assignment ever before the volatile situation turns fatal. *More Than A Manny (Gay Romance)* Trina Solet, 2019-05-13. A very young, wealthy widower needs a nanny, but a hot nanny would be even better. That's where Nate comes in. Brent is a loving but irresponsible father to two young children from a marriage of convenience. He needs Nate in his life, but how will Nate, a first-time nanny, fit into his unconventional household? The kids are a handful, especially little Georgie. Her big brother, Ricky, has a few issues of his own. But Nate is more than ready to take on the challenge and let all three of them steal his heart. ***Curse of the Mummy's Hand*** London Lovett, 2022-03-14. It's a long, hot summer in Los Angeles, and there are plenty of changes happening in Poppy Starfire's life. One thing that's been holding steady is the continual stream of cases coming into the Starfire Detective Agency. But the Starfire's latest case really takes the sarcophagus. When three prominent Egyptologists from the same expedition die unexpectedly, and in short order, the son of one of the deceased wants answers. Harvey Gaffner is certain the doctor who quickly and without much care declared his father suffered a heart attack is dead wrong. Poppy and Jasper must find out what happened to Edward Gaffner. Was it natural causes, a murder, or something more sinister, like a mummy's curse? Book 5 of the Starfire Cozy Mystery Series: 1. Murder on Lot B 2. Murder at the Ostrich Farm 3. Murder on the Angels Flight Trolley 4. Murder on Holiday Lane 5. Curse of the Mummy's Hand 6. TBA. *Learning about Mummies* Laura Alden, 1988. Explores the mysteries of mummies, describing the mummification process practiced by ancient Egyptians, locations of mummies, and the

uncovering of such famous mummies as King Tut the Copper Man and Little Al *Embedded V-To-C in Child Grammar: The Acquisition of Verb Placement in Swiss German* Manuela Schönenberger, 2012-12-06 How children acquire competence in verb placement in languages in which verb placement in matrix clauses does not coincide with that in embedded clauses is not well understood Verb Second languages like German and Dutch display the verb final pattern in embedded clauses which can be confusing for a developing child This book addresses this problem in the context of Swiss German itself a Germanic dialect Numerous examples are given of natural language produced by two children who were consistently followed between the ages of 4 and 6 Unexpectedly since previous literature has suggested that children master verb placement very early in their linguistic development these children move the verb in any type of embedded clause leading to many verb placement errors After introducing the problem and describing the data in detail a technical analysis is developed in terms of a minimally split CP which is rather successful in accounting for these data The book should interest advanced students and researchers in both language acquisition and syntax *Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12
