Marco Cascella

McCulloch Corporation Chainsaw Cs 38 Em Manual:

Operation and Service Manual McCulloch Motors Corporation, 1954
Publishing Corporation, Intertec Publishing Corporation Staff, 1989-01-01
Intertec Publishing Corporation, Intertec Publishing Corporation Staff, 1989-03-01
ForestWorks, 2009-10-01

The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance, and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical, and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back, and identifying dangerous trees. An explanation of the tension and compression forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment, and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

Chainsaw Operator's Manual Bernard R. Kestel, 2005. This manual has been produced to increase the level of awareness in general safety and to assist the chainsaw operator in adopting safe and efficient working techniques.
