

The Spanish-American War

The Spanish-American War happened in 1898. The war was fought between Spain and the United States of America. The fighting lasted just over three months, from April 25 to August 12, 1898. The primary conflict involved the island of Cuba and Cuba's desire for independence.

Leading up to the Spanish-American War, Cubans had been fighting for their independence for many years. Rebels or people inside Cuba fighting for independence went to war with Spain for ten years between 1868 and 1878. Cubans rose to fight Spain again in 1895. Many people in the United States supported Cuban independence.

In 1898, the United States and President McKinley sent a warship to Cuba. The warship named the *Maine* sunk in an explosion in Havana Harbor. The United States blamed Spain for the sinking of the ship. The United States eventually declared war on Spain a few months after the sinking of the *Maine*. The United States decided to attack Spain in the Pacific theater, or the Pacific ocean. In May of 1898, the United States defeated the Spanish in the Battle of Manila Bay and took control of the Philippines. Future U.S. President Theodore Roosevelt led a group of Rough Riders in Cuba, fighting for Cuban independence. The Rough Riders helped the United States win the Battle of San Juan Hill.

After the Battle of San Juan Hill, the U.S. Army laid siege to the city of Santiago. To lay siege meant to surround the city and cut the soldiers and people inside off from food and supplies in the hopes that they surrender. The Spanish surrendered to the U.S. on July 17, 1898.

The fighting officially ended on August 12, 1898. The two sides signed a peace treaty. A peace treaty was a promise to stop fighting. Both sides had to agree. The United States and Spain signed the Treaty of Paris. In the treaty, Cuba won their independence. The United States paid Spain 20 million dollars for control of the Philippines, Guam, and Puerto Rico. Many historians today don't believe that the Spanish were responsible for sinking the *Maine*. Yellow Journalism, or reporting news with little to no facts to support the stories, was largely the cause of American support for war with Spain.
